Editor's Mail

RR 2, Maple, Ontario, March 21, 1963.

Mr. James Thomas, Editor, The Stouffville Tribune, Stouffville, Ont.
Dear Mr. Thomas,
I have been instructed to write to you on behalf of the York North club of the Ontario New Democratic Youth, to reassure your readers that all posters urging the voters in York North to vote for New Democrat Stan Hall, will be removed as quickly as possible after he is elected next Monday, April 8.

Since our group was responsible for placing many of these signs on trees in your area, we

will be glad to take the responsibility of removing them after election day. Any person noticing signs not removed within a week, should notify us by writing me, care of the above address.

At the same time, if the other candidates wish, we would be glad to remove their signs, and either return them or dispose of them, for a fee of one cent each.

However, unlike certain Liberal workers in some parts of the riding, we do have enough sense of fair play to wait until after the election day before taking down our opponents' signs.

Thank you in advance for providing us enough space to make this announcement.

Yours very truly,
(Miss) Valerie Ewart,
