GOODWOOD

(Mrs. R. May)
A number of little friends helped Party and Michael Maye celebrate their birthdays on March 23rd. All were thrilled to see their little Shetland pony. A large crowd attended the auction sale of the late Mr. Joe Greenfield, last Saturday. Sympathy is extended to Mrs. Walt Todd, whose father, Mr. Arthur Snowball of Markham passed away last week. Mrs. Carl Hockley returned home from hospital, Sunday, after an appendectomy. Mrs. Jim Savage and children

spent the past week with his parents at Agincourt. When they return to Goodwood they will bring their tiny wee brother with them. Visitors one afternoon last week with Mrs. Stan Slack for a quilting were Mrs. Henry Slack, Mrs. Wm. Eckardt, Mrs. H. Feasby, Mrs. C. D. Jones and Mrs. Elmer Evans. Mrs. Don Spence was off work a few days through illness. Mrs. Stan Slack, Joan and Janet visited on Sunday with her father at Mr. and Mrs. Jack Johnson. Miss Dianne May enjoyed a holiday with Mr. and Mrs. H. Woodland. Miss Doreen Evans spent the weekend with Miss Betty Jones and enjoyed Betty's birthday with cousins Bob and Stan Pugh and Margaret and Dianne May. Mr. and Mrs. Dalton Alderson attended the funeral of his cousin, Mr. Wm. Alderson, a former reeve of Alliston in Alliston on Thursday. Mr. and Mrs. Bill Watson and Sharon had Sunday supper with his parents, Mr. and Mrs. Dalton Alderson. Miss Bonnie Norton spent the weekend with her cousin Miss Lois Norton, Fourth Line. The newsletter of the Canadian Cancer Society, "Progress Against Cancer," will keep you abreast with latest efforts of this humanitarian organization to combat one of man's worst enemies. To receive free copies regularly, apply to your local unit of the Society.

GEORGE TIMBER'S

TIPS ON A SAFE START FOR YOUR BABY CHICKS

Lay your plans for more poultry profit at chick starting time. Even at a day old, your chicks represent a substantial investment. Protect this investment by giving them a safe start with Purina Chick Startena—Canada's favourite chick starter. Economical too... It takes only 2 pounds of Startena to nourish a light breed chick through those important first five weeks. Costs only pennies per chick. You get high chick livability when you bring 'em along the low-cost Purina way. Chick Startena contains 26 Purina-Researched ingredients including trace minerals, vitamins, and antibiotics that combat disease. And what's even more important,

Purina's exclusive Micro-Mixing guarantees that all 26 ingredients are precisely balanced and thoroughly mixed so that every thimbleful of Startena is a complete diet. When you order your chicks, see us for Startena and all your chick starting needs—at the Store with the Checkerboard Sign.

Canadians who want bigger profits to-morrow feed PURINA CHOWS today!

If you're still confused by party claims and promises, yet are still planning to vote N.D.P. . . .

Ask Yourself These 3 Questions

1. Do I really believe in Socialism, in a party that advocates and means state control?
2. Do I believe Canada can and should withdraw from the Atlantic Defense Alliance — Canada's sole bulwark against Communist aggression?
3. Do I believe another minority government is good for Canada?

If you can answer "Yes" to all of these questions then it is your right and privilege to vote Socialist.

If your answer to any one of these questions is "No", you should vote for the one party which represents all parts of Canada - the Liberal Party - the only party which can gain a majority vote over the others, sufficient to govern. Vote ADDISON, John X
