## Ask Yourself These 3 Questions

- Do I really believe in Socialism, in a party that advocates and means state control?
- Do I believe Canada can and should withdraw from the Atlantic Defense Alliance — Canada's sole bulwark against Communist aggression?
- Do I believe another minority government is good for Canada?

If you can answer "Yes" to all of these questions then it is your right and privilege to vote Socialist.

If your answer to any one of these questions is "No", you should vote for the one party which represents all parts of Canada — the Liberal Party — the only party which can gain a majority vote over the others, sufficient to govern. Vote ADDISON, John X
