BURLAP BAGS POPULAR APPAREL AT BROUGHAM Y.P. HARD-TIME DANCE

The demand was great last week for burlap bags at Robt. Miller's Mendit Shop in Brougham. The reason?—the Young People's Society were holding a Hard Time's Dance on Saturday night in the township hall. Weird costumes, mixed with beautiful Easter decorations suited both the season and the occasion. The couples danced over and around bales of straw. Esther Perry and Paul White were awarded prizes for the most original costumes. Mr. and Mrs. James Allen of Oshawa were the judges and also acted as the M.C.'s for the evening. Spot prizes were won by Margaret Roberts, Hans Reilinz and Esther Perry.

Drive to Fight Cancer Still Continues

The annual campaign of the Canadian Cancer Society's Stouffville Branch opened on Monday, April 1. The branch's objective this year is \$2,500 and will contribute towards a unit objective of \$19,500 and a total national aim of \$3,682,000.

"It is difficult to make the point, year after year, that the need is great, that there is an urgency in this appeal to raise the money to defeat cancer," Mrs. Jas. McCreight local campaign chairman said in announcing the campaign. "But such is the case. One need only visit a hospital and talk to patients with cancer, or to their loved ones, to realize that cancer is a terrible disease and that its cost in terms of lives and unhappiness can scarcely be imagined."

"The Canadian Cancer Society is doing all it can to bring about the defeat of this human scourge. It is fighting cancer by means of research, which will one day solve the riddle of cancer and show us how to prevent it or cure it. It is fighting cancer by means of education, impressing upon all of us the importance of regular health check-ups and early treatment once cancer is diagnosed. And the Society is fighting cancer by means of welfare services which gave the patient aid and comfort."

"But to do all these things, the Canadian Cancer Society needs money. I sincerely hope that this community will once again do its part in this vital cause and see that our objective is attained. The cause is great and the need is great—let's all make our contribution great."
