**Pity the Roads Department!!** After all their spring maintenance work on the Town Line (and after a hard winter) the gravel trucks are tearing the road up again. By actual count on Saturday, twenty-six trucks rolled by in one hour. How can we possibly compete with that?

Spring concerts and recitals are just getting underway, however, and this Saturday is the annual concert for Bill White's children's Glee Club in Agincourt. Several of our young songsters have been attending practices this year so Cedar Grove will be fairly well represented. This Glee Club, you may remember, requires no voice test and NEVER turns a child away. It is a delightful evening and one that can be enjoyed whether or not you have young participants. It will be held in Agincourt Community Centre on Saturday, May 18th at 8 p.m.

The Community Club Bowling Party held on Friday night was fun for everyone... even the novices. Some of the scores were spectacular and some surprising. Ken Walton bowled a beautiful 41 and Karen Tapscott turned in 34. Karen Ritchie was in the high ranks with a score of 76 and Ann Milroy showed promise of greatness with 25. However, Bea Petrie managed to get a cool 162 behind David Miller's 166 but ahead of her daughter Susan's 150. Joyce Lapp bowled a 300 Friday night and right behind her came Robert Tapscott with 290 — seven strikes in a row. Bobby Dean scored 116 and J.R. David Ritchie totalled 66 in his best game. It was quite a night. Following the bowling 64 gathered at Arch and Helen Little's for some welcome refreshment, a little talk and some music.

Several of the members of Zion congregation attended the Emmanuel Collge graduation ceremonies to see Mr. Skuce receive his Bachelor of Divinity degree and Mr. Milton his College diploma. Mr. Milton also received the Albert Waller scholarship in Homiletics. Congratulations to our two Zion Church ministers.

Family service last Sunday filled Zion Church and, as usual the Sunday School took over the service. Raymond Reesor, Arlie Milroy, Frank Crichton, Bobby Dean and Gordie Milroy sang beautifully under the direction of Evelyn Whitmore and accompanied by Olive Reesor.

Lucust Hill and Cedar Grove schools played both baseball and soccer last week with C.G. winning the baseball 14-1 and Lucust Hill taking the Soccer honours 1-0.

Next Euchre will be held on May 20th in Cedar Grove schoolhouse. Mother's Club meeting will be held on Thursday, May 16th. This month the Club will visit Mrs. Philip's Antique Shop in Markham, which should be a very interesting meeting. The plan is to leave by 8 p.m. and return to Bea Petrie's for refreshments.

UCW News  
The UCW May meeting was held in the church on Tuesday, May 7th and was opened with a spring poem by Mrs. Lloyd Taylor. A reminder of the Bake Sale to be held at Stouffville Arena on May 25th... each member baking as they did last year.

Mrs. Little was in charge of the programme which was on the Christian Home. Some of the problems in a Christian home to-day are not knowing what company the children are keeping since transportation is so much more readily available than a few years ago; children are sent to Sunday School but instruction in the home is neglected.

Seven of the ladies presented a skit entitled 'Five in A Living Room' which showed the necessity for consideration of older family members and their need to feel wanted and useful. This was followed by a discussion on needs in the family.

Mrs. Little led the worship service.

If you buy a beef carcass to package for the freezer, Home Economists at Macdonald Institute, Guelph say that you can figure one-quarter of the carcass will yield steaks, one-quarter roasts and one-quarter ground beef and stewing meat. The final quarter is waste bones and fat.
