For Scratch Pads come to the Tribune

Apart from the tourist traffic on the Town Line there is a certain silence descends on Cedar Grove over the week-end. Thirteen earthmovers and a few assorted sheep's feet and shovels are in a quiet neat row where, until a few weeks ago, the Grenn's house stood. But come Monday ..... 7 a.m. they are off again in a cloud of dust. Up and down the newly created road parallel to the CNR roadbed pushing and shoving and heaving the landscape into a pattern suitable to man. The only saving grace for the tortured souls on the Town Line and the Plug Hat Road is that through never-ending dust and the twelve-hour-a-day racket a very interesting bit of civil engineering is taking place. And do the Town Line dwellers escape from the railroad over the week-end? No Sir! That is their opportunity to walk the tracks and see how things are progressing. Threshing is moving slowly this year. Heavy dew and inter-

mittent rain is making it a long drawn out affair. There have been arrivals .... old and brand new in the village this week and holidayers are still coming and going at a great rate. Gordon Stonehouse with his wife and daughter visited the Tapscott's over the week-end and enjoyed a picnic on Sunday with all his old friends in Cedar Grove. This was the first visit in about fourteen years. The Stonehouses are living in Detroit now. Jim Douglas paid his first visit to the village since their departure last winter for Vancouver. News of the Douglas family is all good with all members happily settled in a new home and Dianna and Jim enjoying new and interesting jobs. Mrs. Jack Knight (who was Mrs. Will Reesor when she lived in Cedar Grove) has moved to Toronto recently and paid her first short visit to her old home last week. We hope to see much more of her now that she is close by again. Mrs. Skuce attended Zion church on Sunday as visitors and our brand new arrival was a baby girl to Mr. and Mrs. B. Dunbar. Mr. Dunbar followed Rev. Skuce as minister of Zion. Yvonne Munroe visited friends in Quebec earlier this summer and the visit was returned this week-end. Mr. and Mrs. George Lavery and their two small sons joined Mr. and Mrs. Edwards from Highland Creek and Mr. and Mrs. David Seissmore at the Allchurchs as guests of Yvonne. Ruby and Mabel Reesor and Frank and Byrl Sewell are spending a week at Miner's Bay where Lola Reesor is also holidaying and Mike and Lillian Dean are home again after a few days in London and a week at Dorset. Sunday night Gwen Allchurch attended the Anglican Missionary Rally at Maple Leaf Gardens and reports a most colourful and spectacular evening. Mrs. Ionson and Cathy enjoyed the picturesque trip up the Saguenay recently. This week we bid Bon Voyage to John and Bea Petrie who are off on a tour of the British Isles suitable adorned with silver maple leaves .... a presentation conveying the good wishes of the Community Club. Sim and Annie Reesor are getting to be real globe trotters. They leave this week on a trip to the west coast flying out and returning by train. This way they see Canada from two angles. Barry Little has a nice holiday coming up. As an award given by the Junior Farmers, Barry has won a trip to the Rural Youth Conference at the International Peace Gardens in North Dakota. Barry will be joined by a boy from Kitchener and two girls from Ottawa, the only Canadians attending a conference of Americans from all over the U.S. We have two villagers on the sick list this week. Catherine Ritchie with a nasty ear infection which prevented her from holidaying in Owen Sound with her father; and Jean Miller who was taken to Stouffville hospital on Monday. We hope they will both be on top in short order. **Eachre Results** Mrs. May Booth, Mrs. Erloy Clodd and Mrs. C. Bond; R. Buchanan, Stan Meads and Levi Booth with Carrying prizes going to Mrs. Erloy Clodd and Lesley Third.

Goodwood folk were saddened on Thursday to learn of the death of Mr. Roland Morris and Mr. Joe Lorefice, due to a train crash at Green River. These families lived in the former George Stewart home and eight children are left fatherless. Goodwood was well represented at the Staar-Dymond picnic held at Greenwood Swiss Chalet Park on Saturday. Mrs. Linklater and her daughter Ellen of Toronto visited her cousin Mrs. John Maye recently. # PROVINCIAL ELECTION DAY Wednesday, September 25th

## AN OPEN LETTER TO THE PEOPLE OF YORK NORTH FROM DONALD PLAXTON

My Fellow Voters:

Within the next few weeks the people of Ontario will once again be given the opportunity of deciding on the Government of this Province for the next four years.

The past decade has seen great changes in our province socially, economically, and culturally and while it is always useful and necessary to study past events it is now more than ever vital to our future welfare to look to the future and meet the challenge of tomorrow.

As the Liberal candidate in York North I seek your support in the coming election. The purpose of this short introduction is to give you some knowledge of my background and experience to afford an intelligent basis for casting your ballot.

I am a war veteran, 33 years old and married with four children. Dorothy and I have lived in Richmond Hill for 10 years and have been and presently are active in community affairs.

I have served on Richmond Hill Town Council as Councillor and Deputy-Reeve. I have also served a term as Public School Trustee. As a candidate for the Liberal Party in 1959 I have endeavoured to acquaint myself with the problems of this riding. By profession I carry on a law practice in this riding and have done so since 1951. I am concerned about the future development of York North and its many problems. The qualifications for M.P.P. must include a willingness to focus the attention of Queen's Park on this large and varied riding.

I am prepared if elected to give York North active and vigorous representation in the legislature. I know the problem of our increasing tax burden — it affects all of us and with your support I will fight to ensure a better deal from the Province of Ontario.

I think the job requires a young person with new ideas. If you agree with me may I count on your support on election day?

Yours sincerely,

**Donald Plaxton**

.....and in the meantime I invite all our citizens interested in assisting in the coming campaign to get in touch with me or a member of our organization. In Stouffville and area please phone Mrs. Ray Norton at 640-3635.
