YORK CTY. BOWMEN TO HOLD "DEER SHOOT" ON WEEKEND

TIMBER!! This call to a woodsman means a falling tree, but on Sunday, Sept. 15th to members and guests of York County Bowmen, it's a warning call to any archer searching for lost arrows, as 'FORE' is to a golfer.

Widely known in this popular sport, the DEER SHOOT attracts spectators and competitors alike from a wide area. Animal targets, realistically painted by champion shot and artist James Ross, are used on each of the 28 targets in the beautiful wood 40 acre course. Well marked by road signs, the course is on the seventh concession of Whitchurch township, a mile north of the Aurora rd. near Ballantrae.

Registration starts at 9 a.m. and the competition sharp at 10. Two rounds are shot and lunch and refreshments are available at the Club House. Free camping space is also available and visitors are welcome at no admission charge.
