Good Government Deserves Your Support

JOHN P. ROBERTS
ON SEPT. 25 RE-ELECT

A. A. LEX MACKENZIE

I urge the voters of York North Riding to re-elect Lex Mackenzie to the Ontario Legislature. I have known Lex Mackenzie for many years. He has a deep interest and wide experience in public affairs which I believe make him an excellent representative for the people of York North.

I also ask you to re-elect Lex Mackenzie to give me a mandate to carry on the policies which my colleagues and I have instituted in the past two years. Under our system, a vote for the government candidate in your Riding is the only way you can vote for the government and for its policies. To carry on these policies, and to give York North a first-class representative, I ask your support for Lex Mackenzie.

A. A. Lex MACKENZIE X
