

New 1964 Volkswagens... come in and give them the once over.

Let's get right to the big news. The VW 1500-TS has 25% more power. (The engine has twin carburetors.) Now from a standing start, the 1500-TS (Touring Sport) will hit 50 mph in twelve seconds. And it handles like a sports car too. Also new for '64: whitewall tires (at no extra cost), a few touches of chrome, two-tone paint jobs, and instant heat. (And that goes for the station wagon too.)

Our little bug (the VW 1200) has also been improved. And the hottest new feature is an instant heater. (Now you can warm up your passengers as fast as the radio.) Also: whitewall tires (on the Deluxe) and a choice of seven colours. Warning: if you've just bought another kind of car, don't come in. We hate to see a grown man cry.

Goodwood News

(Mrs. R. May) Sunday, Oct. 6 marks class promotion exercises at Goodwood United Church Sunday School. All who have attended regularly will receive a Robert Raikes Diploma or Seal. Plan to be present to receive your awards and to join in this Christian Education Program. Friends of Mrs. Norman Wagg gathered in the United Church Basement on Thursday

Sept. 26 for a social evening on her behalf. Mrs. Wagg moved from Goodwood to Stouffville in June and although she still teaches in Goodwood public school the church wished to express appreciation for her many years of service and interest. Mr. Wm. Hewlett made the presentation of a desk set on behalf of the Church Board, Mrs. Don Kennedy with a brooch on behalf of the UCW

and Mr. Lorne Tindal a plaque on behalf of the Sunday School. Each expressed their appreciation to Mrs. Wagg for her capable contribution to the church during the past forty years she has been in our community. Crokinole was played and a dainty lunch was served by the ladies. Mr. and Mrs. Les Meyers, Ted and Irene spent the weekend at Upper Canada Village and Ottawa. A familiar land-mark the 'Old Stafford' house recently

occupied by Mr. and Mrs. Clarence Bunker and later by Mr. and Mrs. Stan Noble is being dismantled and the land on which it stands will produce many more loads of gravel from the pit on the farm. Mrs. Harry Thompson of Gormley and Mrs. Wm. Kingdon, Toronto and families called on Mrs. F. Baldwin on Saturday. Mr. and Mrs. Gordon Jones and Mr. G. Jones motored to Peterboro on Wednesday to visit Mr. and Mrs. Clarence
