Buttonville News

The last of the Apple Butter activities were washed away this week at the final clean-up. The juice from so many bushels of apples makes a sticky mess and it takes some strong arm operations to remove the evidence.

This beautiful, beautiful fall is drawing more than the satisfied sighs of current enjoyment. Apparently the abundance of apples and walnuts, the numerous and extra busy squirrels and the heavy-headed sunflowers are signs of a hard winter ahead. The almanac predicts the hardest winter in fifty years with a heavy snowfall each month including March and April. However, this same small town gave us cold, wet weather with high winds for the past three glorious weeks so you pay your money and you take your choice.

We are sprouting 40 miles an hour road warnings on the 10th this week, which presumably, are following the school bus routes. This could be in lieu of the school warning signs we never did get before the area was formed. Now the question is will this speed limit be enforced and if so, how?

The ladies of the U.C.W. are fast approaching B Day. The bazaar to be held in Zion Church on Saturday, Nov. 2nd, is the first ever held by Zion Church women and all effort has been put forward to make it a great success. There will be home baking (while it lasts), sewing, knitting, Christmas decorations; a white elephant booth and a fish pond, a quilt and plants for sale and afternoon tea will be served to make a nice shopping break. Spread the word around and plan to be at Zion Church from 2-4 to enjoy the Christmas Bazaar.

Mr. Ritchie, our novelist, Eaton's driver, was guest soloist at the anniversary service at Zion Church and favoured the congregation with his rich, fine voice. Both speakers were inspiring in their addresses and the morning soloist, Joyce Sullivan, sang for the children in the Sunday School as well as in church.

Ricky Laop got a football in the mail the other day — compliments of Christie's Bread. Unknown to the rest of the family, Ricky had been saving wrappers and one paid off. He now becomes eligible for three tickets to the Grey Cup game in Vancouver. Good Luck Ricky.

The MDHS salesmen are back in the magazine business again. Local students seem to be doing well.

This is the week-end we fall back to standard time don't forget.

The guest speaker was Hon. Mr. Michael Starr, who with the aid of Mrs. Weatherall, the principal, presented the graduates with their school pins and diplomas.

Mrs. L. McKean, president of newly formed auxiliary, brought greetings to all present.

In her address to graduates Mrs. Weatherall expressed her desire that each pupil go far in his or her chosen field.

Valdelelorian, Miss T. Pemberton Pjott spoke briefly with few, but well chosen words.

The Hon. Michael Starr reminded the graduates that in Canada any ambition is possible for those who are willing to work and sacrifice. Education is available to all, even if it means night classes.

To complete the evening, Mr. Bush led graduates and senior students in song. The younger children contributed with their school song and a second selection.

Refreshments were served by ladies of the auxiliary. During this time the school was open for inspection of the children's work.

Stroke is one of the commonest of all blood vessel diseases. Only a few years ago the physician could do little for the stroke victim. Today many patients can be cured and often strokes can be prevented.
