Seek Permanent Coach;

The situation has become so desperate that a written withdrawal' has been submitted to the O.H.A. unless some imme-diate help can be located. The O.H.A. has shifted the schedule around in an effort to give the "Black Hawks" management more time to acquire a club leader. Uxbridge has filed an entry in an Intermediate "A" group with Bradford, Orillia, Barrie, Midland and Collingwood. Their home opener is now slated for Nov. 18th.

Gord Todd was injured during the softball season and Etcher is not interested in long-distance travelling. "We have some dandy hockey players," continued the Manager, "but you can only hold the fellows for so long."

Back from last year will be—Bob Todd, Wayne Redshaw, Dick Bertrand, Joe Carpentier, Gene More and Jack Todd. Markham's Bill Johnson has been unto practice along with the fellows for so long."
