

McLean Scores Twice As Clippers Win First Game Of Season, 4-2

Centre Barry McLean returned to the Stouffville line-up on Tuesday night and fired two goals to lead the "Clippers" to a 4-2 victory over Newmarket "Redmen".

Pete Reesor started the ball rolling when he banged in his own rebound at the 5:15 mark of the first period. McLean made it 2-0 after two minutes of the second. He put a hard slap-shot from outside the blue-line past Newmarket goalkeeper Terry McGovern.

Best Game This game was by far the best Stouffville has played this year. Their forechecking was very good as they repeatedly had Newmarket bottled up in their own end.

Referee Al Promaine handed out eleven penalties, all minors. Seven of these were against Stouffville. Only one outbreak of fighting occurred.

RINGWOOD HAS FIRST LOSS IN 26 COMM. LG. GAMES

A blue moon must have been shining over the Stouffville Arena on Friday night, Ringwood, the defending champions of the Stouffville Community Hockey League and winners of 26 consecutive games, were beaten 6-2 by Stouffville.

Ringwood could ice only 9 men while Stouffville produced a power-packed lineup of 13 performers. To add to the Ringwood troubles, defenseman Jack Pollard was injured early in the contest and forward, Norm Roberts was hampered by a broken finger on his left hand.

"The game was fast and one penalty was played with only one minute left in the entire sixty minutes. "We'll beat 'em next time," commented netminder, Ross Madill at the conclusion of the contest. They will not hook up again until Dec. 13th.

"To the press alone, checked as it is with abuses, the world is indebted for all the triumphs which have been obtained by reason and humanity over error and oppression." — James Madison.

Stiffer Fees For Dog Kennels

Stiffer fees are on the way for dog kennel operators in Whitchurch Township according to the council discussion on Monday night. Clerk Jack Crawford was instructed to prepare a by-law regarding the regulation of dog kennels within the municipality.

Township Officer Ollie Pellet advised council that there was a large increase in the number of persons keeping dog kennels and their location was general throughout the township. He said that many persons were entering complaints as the dogs proved very annoying to other residents.

The present township by-law states that a kennel license will only be issued to a person keeping purebred dogs. However, it is believed that it might take the services of a solicitor to search out the certificates. The present fee is \$10 but this is subject to the pleasure of council from year to year.

Mr. Chiovitti said he realized that the town was interested in further residential development until some added commercial or industrial assessment was forthcoming and he expressed hope that the Board would approve of his plan for some industrial
