## EDITOR'S MAIL...

Box 689, Stouffville, Ont., February 4, 1964.

The Editor, Stouffville Tribune, Stouffville, Ontario

Dear Sir:

During the week of January 25th to February 1st we celebrated Minor Hockey Week in Stouffville. At this time we asked the people of Stouffville and the surrounding area to support our program not only in a financial way but also in a physical sense. They did not let us down. The money received from ticket sales and contributions will do much to defray the numerous expenses of the Association and the moral lift given to our young players by the large and enthusiastic crowds who attended the games is immeasurable.

It is our hope that many of the people who came to the arena last week will return in the remaining weeks to view more minor hockey action. Play-off time is rapidly approaching for the house league teams, while the all-star teams (Pea Wee, Bantam, Midget) are already battling for their group championships. All these young players will welcome the continued support of the people of this area.

I would be remiss if I did not mention the many merchants who also helped to promote our Minor Hockey Week. By selling tickets, loaning us materials for window displays, and displaying posters they did much to make the week a success. The work of your paper in preparing articles and pictures on the support of the people for minor hockey also encouraged the program.

Therefore on behalf of the Minor Hockey Association, may I thank all the hockey fans in and about Stouffville for their excellent support during our Minor Hockey Week. We trust they will continue to support our teams for it is greatly appreciated by both the players and the executive.

Yours Truly,  
W. K. Sutherland, President  
Stouffville Lions Minor Hockey Association.

## MARKHAM PEEWEES TIE SERIES; FORCE THIRD GAME THURS.

Markham Peewees have given Stouffville their toughest competition of the season and on Monday night they outscored the local club 5-2 to even their current playoff series at one game apiece. Stouffville took the opener 4-2.

The "rubber match" is scheduled for the Stouffville Arena on Tuesday evening (10-night) at 6:30 p.m. The winner will advance against Port Perry.

Jim Wilkins enjoyed a great scoring spree in Thursday's contest and fired all four of Stouffville's goals, 1 in the first period, 2 in the second and 1 in the third. Brydon Baker and Paul Raymer hit the target for the "Millionaires."

Bill Hassard and Peter Mumford each collected a pair of assists. Jody Holden and Rich Miller counted a single point in the assist department.

In the return tilt at Markham, Jody Holden and Brian Norton were the Stouffville marksmen.

## Forsythe Gets Two Shut-outs In Playoffs

Stouffville Bantams have won the first round of their group playoffs and will not meet the winner between Markham and Bay Ridges. The homeesters shut out Uxbridge 6-0 on Thursday and blanked them 3-0 on Friday. It was a double shut-out effort for goaltender, Dennis Forsyth although he wasn't worked nearly as hard as Trevor Clark in the Uxbridge cage.

Doug Clark fired 4 goals for Stouffville in the home opener. Bruce McHaffey and Wayne Jackson counted singles. In the return tilt, goals came from the sticks of Ken Vernon, Peter Turner and captain McHaffey.

In the Markham-Bay Ridges series, the "Millionaires" took the first game quite handily, 8-1.

## Midgets Score 14 Goals In Two Playoff Games

Stouffville Midgets polished off Markham in two straight playoff games, 7-0 and 7-2 in a home and home playoff encounter to advance into the next round of competition. They will now meet the winner of Uxbridge and West Rouse.

Ted Redshaw led the marksmen in the series opener with 4 goals. Tom Benson potted a pair and Bob Boake fired one. Pat Smith collected three assists.

In the return tilt, it was again the Redshaw, Benson, Smith line that led the way, picking up 11 scoring points. Redshaw and Smith each scored two. Singles came from the sticks of Wayne Jackson, David Glover and Tom Benson.

Markham's two markers came in the final four minutes of the game. Twenty-five penalties were handed out in the contest.

## Bill Crothers Sets Record In U.S. Half Mile

Bill Crothers, setting a U.S. indoor record at the Millrose Games, Thursday night in New York.

Crothers covered the half-mile in one minute, 50 seconds as he came from behind at the start of the final lap and easily held off the closing challenge of Noel Carroll of Villanova University.

## Stouffville Smothers Ballantrae

With forward Gary Drurie leading the way with three goals, Stouffville "Mercurys" smothered Ballantrae 13-2 in a Community League contest on Friday night.

Ballantrae's two tallies came in the third period and spoiled a shutout bid by netminder, Chic Minnaker.

Ray Pipher enjoyed a five-point night with 2 goals and 3 assists. Doug Walker also potted a pair. Single tallies were divided among Gary Thorpe, Dave Winitoy, Len Johnson, Ron Graham and Bob Canovan. For Canovan, who also picked up two assists, it was his first game since his suspension, three weeks ago for striking the referee.

Gord Ambrose and Gary Usherwood blinked the light for Ballantrae.

Stouffville set a sizzling pace and if they can keep their boys working together, could give either of the top two clubs a run for their money in the playoffs. They iced 15 men and Ballantrae could gather together only nine.

## West Hill Too Strong For Local Girls

West Hill, considered to be one of the top girls' teams in southern Ontario, showed too much power for Stouffville on Friday night and posted a 5-0 victory.

Sparked by their fine young captain, Colleen Allen who counted 2 goals and an assist, the visitors took a 3-0 lead in the first period and added two more in the second. Judy Ainsley, June Montgomery and Ann Midgey scored singles.

Stouffville just couldn't seem to get going in this game after turning in a fine performance against Cobourg one week earlier. They will enjoy a week's rest with no home contest this Friday night. The Figure Skating Club has the ice in Stouffville.

## UNIONVILLE PAIR WIN BRONZE MEDAL AT OLYMPICS

Debbi Wilkes and Guy Revell brought Canada her first 1964 Olympic medal when they placed third in the pair figure skating competition last week at Innsbruck, Austria. Debbi lives in Unionville. Guy is a resident of Newmarket.

Last year, the twosome was forced out of the world championships when Miss Wilkes suffered an injury during a practice session. They were not to be denied this year, however, and will bring home bronze medallions. Entries from Russia and Germany placed one-two in the event.

## Stroud Stars In Markham Win Streak

Murray Stroud, smooth-skating Markham forward, continues to set the eastern division of the Junior "B" circuit on fire. On Monday night, he added to his production total with 4 goals as his team thumped Schomberg 16-6. Linemate, Bruce Andrews, possibly the club's fastest man and Don Baker also hit the target four times. Rod McDonald counted a hat-trick and Bob Armstrong netted one.

The Stroud-Armstrong combination will have an opportunity to add to their goal totals this Friday night at Markham when they play host to this same Schomberg club.

Markham now has a solid grip on the third-place position in their group, behind Whittby. This same Whittby club will be the visitors on Markham ice on Feb. 14th.

# Greenwood - Mt. Zion Rally Beats Ringwood 5-3; Redshaw Scores 3

You can't beat a team like Greenwood-Mt. Zion with ten men. Ringwood tried it and almost succeeded on Friday night in a thrilling Community League encounter. The defending champs held a 2-1 lead going into the final frame but the Greenwood club was not to be denied their well-earned victory. They blasted four pucks past Ross Madill to win 5-3, while Ringwood could counter with only a single tally.

The Greenwood-Mt. Zion marksmen must have thought they were shooting at an invisible shield in the first period when the disk refused to cross the goal line. Both Wayne Redshaw and Bob Gardiner looted the puck over the cage with Madill at their mercy. While many clean-cut drives missed the target, others were stopped with the coolness of the provincial cucumber as goalie Madill turned handsprings between the pipes. He even took one shoot

on the side of the head but play continued without letup.

**Three For Redshaw**  
Wayne Redshaw, centring a line with Art Rennie and Bob Moffatt rifled three shots into the Ringwood twine. Bob Gardiner, the team's top scorer, added a pair to his season's production. Don Haynes, Jim Wells and Matt Kinnari blinked the light for the champions.

Two of Greenwood's goals came while Ringwood were a man short. Haynes was off when Redshaw struck for his first marker at 19:05 of the second period. Ronnie Guy was in the cooler when Gardiner hit the target at 9:10 of the third frame. Gardiner later scored the winner at 14:25 and Redshaw sewed up the victory on a 15 foot drive with three minutes to go in the game. Madill blocked 26 shots in the sixty minute contest. Brett for Greenwood handled 21. Not Enough Men  
A shortage of manpower forced

playing coach, Jake Harman to move defenceman, Don Haynes up on right wing and although he scored one goal, his services were badly missed on the blue line. Doug McInnis turned in an outstanding performance. Greenwood also lacked strength on defence with Murray Jones their only regular rearguard. Tommy Simpson was moved back to fill the hole but his loss was also felt up front. Redshaw also took a turn or two on the blue line on powerplays.

Greenwood-Mt. Zion attracted a strong contingent of fans and they went home knowing that Ringwood was not invincible. Prior to this game, many persons were beginning to wonder if they would ever be beaten. It was only their second loss this season. They have posted 13 victories in sixteen games. They have one tie. No Community games are scheduled for this week, Friday, Feb. 7th.
