"I'm sorry you don't like my new short skirt, Grandma," said the teenager, "but when you were a girl didn't you have to set your cap for the right young man?"  
"Well, maybe," answered Grandma, "but never my knee-cap!"

**Markham Bowling**  
by I. Blow

Have you noticed the new trophy case in our lobby? The trophies on display are for the year's best scores and all have been donated. At the present time Marj. Sayeau is in the lead for the ladies high single with 393 and ladies high triple with 896. Jack Lester is leading the men's high single with 365 and Ted Burchell the high triple with 905. These trophies are awarded annually with the winner receiving a smaller trophy for himself.

This is the week for the second round of the Player's Festival 111 bowlers have qualified for this round and 12 of these will be representing us at the finals in Toronto on May 23rd. Next week we will have the names of these twelve lucky ones.

Several of the local Sammy Sneads have been sneaking in a little early driving and putting practise this week. A good idea with the local courses about to open for the season.

Last Tuesday night the local Kiwanis Club visited our miniature golf course to declare their champion to complete for the interclub trophy against the other service clubs. Al Wilds was declared champion with Jack Carson as runner-up. We haven't heard from the Rotary, Kinsmen or Vets yet and we hope to have the finals in a few weeks. If any of you are members of these clubs, jug the executive memory that the Lions have issued a challenge.

Entries close this week-end for our House Championships. All bowlers are urged to get their entries in this week for sure. There is a plaque and cash prizes for the winners and semi-finalists. This is an elimination tournament and the entry fee includes ALL bowling and prize money.

Anyone interested in 10 pins? We are planning a league of 4 teams for May and June bowling. Leave your name at the desk.

The weeks' HOT LINES — Don Summerfeldt's 360 qualified him for the Honour Roll this week and won him a \$200 voucher from Kiernan's Drug Store. Scotty Jackson's 735 was the only score turned in by the Unionville Vets this week.

Jack Smith's 723 led the St. Pat's bowlers this week, followed by Ted Burchell 703, Alex Williams 700, Cliff King 623.

Amy Burchell 663, and Pete Featherstone 618.

For White-Rodgers, Jean Danby closed out the season with the night's high triple of 737 (329) while Bernie Monaghan had 636. Pearl Gough 633, and Marg Moment 626.

See you next week with the list of the Player's Festival second step winners. By the way all scores to date are sealed away until Saturday morning, when results will be tabulated and winners' names posted.
