

Ringwood Wins With Sub. Goalie, Greenwood-Mt. Zion "On The Ropes"

Jack Pollard, forced out of the second game of the Community League playoffs due to a pulled ligament in his left leg took on the most hazardous of occupations on Friday night when he ventured between the pipes to guard the Ringwood goal. Minus even the protective armament of a face mask, he held the fort with all the coolness of a proverbial cucumber. Ringwood defeated Greenwood-Mt. Zion 8-5 to take a stranglehold grip on the best of seven series. The defending champs can wrap up their fourth straight title with a win on Friday, April 17th.

Pollard took over the puck-stopping chores when Ringwood regular, Ross Madill found it impossible to make the same on his unorthodox style may not see any new trend but it was effective enough to win and that's all one should expect.

His only close call to a casualty came when Greenwood's Bob Gardiner whistled a drive past his crew cut but even this near miss didn't force him to beat a hasty retreat to an early shower. Actually, throughout the entire contest, he had few worries. The majority of shots that Greenwood did muster couldn't break a pane of glass and a few more missed the target by several feet.

It was not that Greenwood couldn't shoot, they just wouldn't. It wasn't that goaltender Pollard looked so good. It was Greenwood-Mt. Zion who looked

McLean Fires Winner In Overtime Period, Win 4-3

Two goals by captain Barry McLean and great goaltending by Glenn Jackson led the Stouffville "Clippers" to a 4-3 overtime victory in Wellington on Monday night. It was the first official game of the series that has now been reduced to a best 3 out of 5. The opener in Stouffville last Wednesday has been tossed out by the O.H.A. since Doug St. John, a playoff import from Uxbridge has been ruled illegal. The rule, that had permitted such a move in former years, has since been withdrawn, according to officials, but Stouffville was not aware of the change.

It was a goaltender's battle at Wellington with both Jackson

He Kept The Records Straight

Stuart Bellamy, Rupert Ave., Stouffville is the statistician this winter in the Stouffville Minor Hockey Association House Leagues. Throughout the season, he has maintained a record on each of the 160 boys in the organization. Not only does he present The Tribune with reports of games each week but he posts the scoring results on a bulletin board in the arena. The league executive are extremely appreciative of the work he has done so well.

Sheridan Hero for Squirt Champions

The team captain is supposed to be a leader and John Sheridan of Crest Hardware was just that on Monday night. He scored the lone goal to lead his club to the Squirt House League Championship. The tally came at 18:07 of the 1st period.

Captain Sheridan was presented with the Brilling Memorial Trophy by Mrs. Walter Brilling.

The Crest club looked the best on the night's play and only some fine stops by Donald Bullock in the Ranger net kept the score down to 1 goal. Bobby Bangay looked good for the winners while Frank Hill played well for the Rangers. The teams had each won 1 game prior to Monday's final.

The Crest Hardware lineup included — Wayne Robinson, Gord Hodgson, Paul Ford, Bobby Bangay, Ken Redshaw, Stan Pugh, Doug Hodgson, Terry Lewis, Kim Steekley, Jim Boyd, Gerry Assnick, Wayne Flynnne and John Sheridan.

Lewis Memorial Trophy Awarded To Atom Champs

The Canadiens are the new champions of the Stouffville Atom House League. In spite of a 2-1 loss to the Maple Leafs on Monday night, they took the title with two earlier victories.

Donald Smith, a 22 point man and captain of the Canadiens, accepted the trophy on behalf of his mates. Mrs. Lewis made the presentation.

On the night's play, it was Donnie Rennie of the Leafs who featured the goal-scoring action with two. He is the league's top marksman.

The Canadiens' lineup included — Donald Smith, John Fockler, Craige Waite, Martin Valieu, Tim Lewis, Danny Brazier, Gordon Harper, Larry Schell, Richard Hone, Pat Carey, Jim McDougall, Billy Giles, Scott Reesor, Cliff Reesor, Doug Taylor, Bruce Rodin and Rae Carter. Their coach is Chuck Harrott.

Lillian Cordell Was Top Point-Scorer For Girls' Hockey Team

During the past season, the Stouffville girls' hockey team counted a total of 61 goals in 31 games. Out of this number, almost one-half of the tallies were scored by two players, Lillian Cordell and Yvette Malloy. Lillian blanked the light 16 times while Yvette hit the target on 13 occasions.

Coupled with her 16 goals, Lillian picked up 15 assists for 31 points, tops for the club. Linemate, Gail McKnight was the runner-up in the total points department with 23 followed by Miss Malloy with 21.

In their 31 games, Stouffville had a record of 9 wins, 19 losses and 3 ties. They scored 61 goals and had 107 scored against them.

Mob Detroit Goalie After Pee wee Title Win

Detroit goaltender Lyn Forsythe was mobbed by his Pee wee mates on Monday night at the conclusion of a playoff final game in which he was an important star. The "Wings" battled Buffalo to a 1-1 tie but Detroit had a two-point lead prior to the contest. The Alf Mole Memorial Trophy was presented to "Red Wing" captain, John Drake by Mrs. Mole.

Forsythe turned in a fine effort in the Detroit net especially in the last period after Bobby Duxbury had scored for Buffalo and made it 1-1. He outskated two Detroit defencemen when

For Bruce Grove, it was a fine playoff series. He was held to only 4 goals during the regular schedule but counted 7 in the playoffs. David Skinner in the Buffalo net completed a fine sporting gesture when he skated the length of the ice to congratulate his rival, Forsythe.

Members on the Detroit team included — Rodney Pugh, Brian McGrath, Harold Waters, Bill Grove, Shawn Garrett, Ray Kennedy, Lyn Forsythe, Allan Loyst, Kim Gurney, Calvin Kennedy, Wayne Clubine, Chas. Ramsay, Ed. Smith, John Drake and Larry Leonard.

Return To Action Friday Night

These four veteran Markham "Millionaire" hockey players will return to action on Friday night in the Markham Arena when their team of yesterday plays host to the N.H.L. "Oldtimers." (Left to right) — Jack Watson, Norm Standen, Bruce Harper and Harry Milroy discuss the strategy they will use to outsmart their former-pro rivals.

Expect Sell-Out At Markham Game

A sell-out crowd is expected to greet the return of the Markham "Millionaires" in the Markham Arena on Friday night. They will play host to the N.H.L. "Oldtimers." Game time is 8:30 p.m. with formal team introductions at 8:15 p.m.

An estimated 1,500 pre-admission tickets have been sold throughout many distant points in Ontario. There will be no reserved seats, however, and fans will be admitted on a first come, first served basis.

On Friday night, special recognition will be paid to a former Markham hockey star, Max Reesor, who played for a period of 30 years and officiated for 18 years. He was presented with a gold hockey stick by the O.H.A. His long and colourful career dates back to 1909.

The most prolific goal-scorer for the N.H.L. visitors is Markham's own Harry Watson with 236 goals in 15 years of big-league competition. Roy Conacher is next with 226 goals.

Markham Bowling News

We seem to have a lot of news for you this week, so let's start off with the BIG news first. Arrangements were made this week for the installation of the latest in automatic pin-setters before the next season. These will be installed on the first 8 lanes, leaving us four lanes for 10 pins if we want them. We expect installation will start in about 6 or 8 weeks and we hope to have them open for your inspection shortly after that.

The other big news this week is the winners of the second step of the Player's Festival. These winners will now advance to the third step which is the final, and will be rolled in Toronto on May 23rd at lanes to be announced later. There were several good scores last week and the top 12 who beat their average by the greatest amount go on to compete for one of the 150 trips to New York World's Fair and Bermuda. The following were the winners with the number of pins they were above their average in brackets: Gertie Williamson (103, Edith Fleming (64), Audrey Hoover (55), Marg Walton (52), Jean Booth (49), Earl Sellers (47), Johnnie Johnson (46), Helen Featherstone (46), Mary Cosburn (46), Frank Base (45), Vic Reid (45), and Gwen Kirby (45). Congratulations to all.

We have extended the entry date for the House, Men and Ladies Championship Tournament to April 11th. So those of you who have held off, get your names in this week.

This week's HOT LINES: — Ken Deffert had the big night for the Markham Mixers with his 801, while Ted Burchell's 313 single (705) was high for the night. Others making the list were Nels Fisher 672, Don Summerfeldt 701, Jeanne Meharg 655, Bob Walter 757, Marg Walter 636, Chuck Hoover 608, Betty Coxworth 702, Jean Pegg 721, Lorne Pegg 622, Chuch Reeve 612 and Russ Jarvis 603.

Alf Andrews took over the high triple for West Markham on their last regular night with his 849, followed by Ethel Shaw 716, Doreen Dawson 600, Fred Coleman 632 and Winston King 615. Oh yes, I. Blow had a 599. Elsie Tetmat's 774 was tops for the Wednesday Ladies while Mary Grove had a 607 and Mary Cosburn 604.

Dave Lake with 344 and Ed Jewett with 360 made the Honour Roll for Chesborough-Ponds this week and won 5 free passes and a \$2.00 voucher from Kierman's Drug Store respectively. Dave had an 802 and Ed a 771. Geo. Marshall had a 625.

Geo. Ireson had a big night for the Markham Vets with his 727, followed by Don Barker 720, A. Dick 672, Ruth Blainey 680 and Ray MacPhail 616.

Ivan Reesor had a 771 for the Cedar Grove League and Jack Shoudy 608.

For the Thursday Ladies League it was Lorna Jarvis 610, Doreen Northover 603 and Betty Baker 601.

Jim Brown led the Thursday Men with 735, followed by Howard Jarick 725. Other big guns were Alf Andrews 615, Ed Dawson 609, Gerry Schroeter 613, Don Barker 669, Don Boyington 649 (301), Jim Meers 697, Bob Ringwood 669, Errol Blundell 667, Vic Reid 701, Bob Riddell 690, Ed Winnetoy 624, and Bob Hicks 638.

Dawna Ziegler led the Unionville Vets with her 722 while Audrey Jackson had 697, Wally Carleton 685, Norm Duxbury 702, George Miller 624, Nell Dunn 653, and Roy Brown 604.

Nels Fisher was the only bowler with the Hoovers this week with his 624, while Ivan Booth was the loner for Claremont with a 675.

Our apologies to Helen Featherstone of St. Pat's. Somehow we missed her big one last week when she rolled a big 368 single and had her name added to the Honour Roll as well as winning \$2.00 from Kierman's. She also had a 796 triple.

For St. Pat's this week, Ted Burchell had a 644, Fred Coleman 601 and Jack Featherstone 618.

With all these top scores, we can't understand the lack of entries in our House Championship Tournament. Come on you 600 and 700 bowlers, let's show your confidence in your own ability. Haven't heard from the Kingsmen, Rotary, or Vets regarding the Lion's challenge for the golf trophy. See you next week.
