

129 Persons Charged In One Month

In their regular police department report, Markham Township Council was advised that there had been 168 offences in the last month and 129 persons had been charged. Out of \$340 worth of property stolen, \$240 had been recovered. The total court revenue was \$1,520. The police answered 931 calls and travelled 14,198 miles in the cruisers. The number of traffic accidents investigated was 19. Dog complaints numbered 13 and there were 20 fires.

Family Gathering

The home of Mr. and Mrs. Walter Miller, Edward St., Stouffville was the scene of a pleasant reunion of thirty family relatives on Sunday, May 3rd. It was the occasion of a visit to Canada from Ireland of Mrs. Rita O'Byrne and daughter, Maura who reside in Limerick. Prior to coming to Stouffville, they visited with Mrs. Archie Kinzie of Breslau whose father was the Rev. Oscar Burkholder. Rev. Burkholder was always interested in family history and inserted an ad in the paper, in an attempt to trace distant relatives. The ad was answered by Mrs. O'Byrne who later arranged to make the overseas trip here. Some of those present at the gathering were — Mrs. Jim Miller and sons of North Bay; Mrs. Oscar Burkholder of Preston; Mr. and Mrs. Clayton Burkholder and family of Kitchener and Mr. and Mrs. Clarence Burkholder.

If you've money to burn, someone is always willing to lend you a match.

Endorse Resolutions For Education and Welfare

Markham Township Council meeting in regular session on Monday afternoon endorsed two resolutions put forward by neighbouring municipalities. The first resolution pertaining to welfare, was from Newmarket. It pointed out that many hospital patients, as soon as they have shown some improvement, are asked to vacate their beds to make way for more patients. They find it necessary to enter a nursing home where their hospital insurance does not give them any financial coverage. This results in hardship in many cases. The resolution petitions the provincial government to have all nursing homes licensed in order that they may qualify under the hospital plan. The second resolution was from New Toronto and pertained to education. It requested that all costs in connection with secondary education be collected through personal income tax and corporation tax. Reeve Hooper remarked that this was what the property owners had advocated for years.
