

Victoria Square News

Brownies
The Brownies of the 1st Gormley Brownie Pack invited their mothers and sisters to a special evening, Tuesday, May 19th. District Commissioner, Mrs. J. Gundy enrolled Patricia

Rice, into the Brownie Pack. Then the Brownies acted out a playlette, ending with the presentation of three Golden Bars to Jean Rumney, Becky Staston and Debbie Watson.

A play by the Brownies demonstrating each step they take to receive the Golden Hand, with the help of Brown Owl, Mrs. Hardie, Tawny Owl, Mrs. Johnston and the very realistic elf, Tansy Johnston, the play was a success. Walking the golden path to receive the Golden Hand were Barbara Miller and Roberta Johnston, two Brownies who worked very hard all year.

Mrs. Gundy next presented Barbara Miller, Roberta Johnston and Jean Rumney with their Skaters Badge. The Brownies were hostesses, serving their mothers and sister with coffee, soft drinks and cookies.

Ten Guides of the 1st Gormley Guide Co. and their leaders Capt. Johnston and Lieut. Miss U. Christensen and Mrs. Hornby left Gormley by car on Friday night to visit the 21st St. Catharines Co. They arrived

about 3 p.m. and made their headquarters at the beautiful home of Mrs. E. Easton, on the shores of Lake Ontario.

Following a camp-fire session including many songs and a watermelon the girls were off to bed.

Saturday morning a chartered bus took the guides and leaders (35) on an all day tour of the Niagara Area.

First there was a visit to Fort George at Niagara-on-the-Lake then on to see the Floral clock and a very interesting tour of the Sir Adam Beck Power plant.

Lunch was held at Queenston Heights. After lunch the Horticultural Garden School was visited where the blossoms and flowers were in their full array of beauty.

Then they went to see the cable-car which crosses the Niagara River above the rapids and here they were lucky to see a practise rescue from the gorge below. They also saw an American Boy Scout troop on a bicycle camping trip. From here they went to the Falls and toured the greenhouses there. Then the rain started, so everyone was taken for a bus drive all around Duffin Island, back to Table Rock House where the girls did some shopping and hoping the rain would stop so they could take pictures of the

falls. A few braved the down-pour, hoping the pictures turn out all right. They returned to Queenston Heights to a picnic shelter where the L.A. mothers met them with a delicious hot supper. The rain had stopped by now. After supper, they returned to Mrs. Easton's home and had camp-fire indoors due to the beach being very wet. They all went to bed after many songs and skits put on by the guides.

Sunday morning they attended a church parade at the United Church with some of the girls attending their own-churches. After the service they enjoyed a barbecue dinner cooked by Mrs. Easton and Mrs. Earhart. After chores and a rest period, the girls hiked to Charles Daley Park along the Queen E. highway and had supper on the beach there.

After breakfast on Monday morning, the girls and their leaders hiked three miles to Prudhommies indoor swimming pool, where they enjoyed a refreshing two hour swim, then a visit to the zoo there. When they returned, there was a chicken dinner waiting for them. Then they all packed their gear ready for their return trip home. The cars came for the girls around 2:30 p.m. and the goodbyes were said and they started home arriving abt. 5:30

p.m. very tired and a little sun-burned, but with some wonderful memories of the joys and pleasures and renewed friendships gained through this great game of Guiding.

Everyone would like to thank those who helped make the trip possible. In the past few weeks several Guides have passed their tenderfoot and have been enrolled also several second class tests have been passed. Those enrolled a short time ago were Joan Hill Marilyn Watson and Vickie Otter.

The May meeting of the UCW was held in the Sunday School room on Wednesday evening. Mrs. Reid Brumwell was in charge of the meeting assisted by Mrs. Wm. Orr, Mrs. Frank Donnelly, Mrs. Frank Brumwell and Mrs. Bert Nichols.

The meeting divided into three groups for a discussion on "Segregation in the UCW". A Plant Sale was held at the close of the meeting followed by refreshments served by the committee.

A number of the UCW members attended the Thank-Offering meeting of the Unionville Church Women, held on Tuesday evening. The guest speaker was Dr. Winnifred Bryce. The guest soloist was Mrs. Alan Orr.

Markham Area hydro formen are extremely proud of this one thousand day safety award certificate held by Area Manager, Hal Wright. Their crews have helped establish this remarkable safety record.
