"Drive-in" Services Begin At Markham Plaza Sunday Evening

Looking for a place to go on Sunday evening? Why not drive to the Markham Shopping Plaza and attend the "drive-in" church service which will begin at 7:30 p.m. The service will be amplified to your car, so all you have to do is drive on to the parking lot in front of the Dominion Store, relax, and enjoy a service of music and song with a brief Gospel Message by the Pastor.

These services are sponsored by the Diocese of Hamilton and Markham United Methodist Churches. Sunday evening will mark the beginning of the 4th summer of these increasingly popular services. They will continue each Sunday evening until August 16th. Every effort is put forth by the planning committee to have good singing and music each evening. Throughout the summer many different musicians and singers representing several denominations will participate in the services.

A farmer's wagon, somewhat camouflaged by the use of curtains around the bottom and a green backdrop make a good platform for the use of the speaker and guest musicians or singers. The Hammond organ from the church is used in every service. A voluntary choir assembles to the side of the platform to give leadership in the singing. The spacious parking lot provides ample space for all the cars. A good public address system assures everyone of hearing no matter where they may have parked.

This Sunday evening, June 14 the boys' band from the Parkside Youth Centre will be in attendance to provide several musical numbers. A mixed quartet from the Markham U.M. Church will be singing. Rev. Grant Sloss, Pastor of the two sponsoring churches will bring a message on "Wishful Thinking vs. Hope."

This is a service that the whole family can attend so you are invited to come with the children on Sunday evening.

Appreciation is expressed to the Dominion Stores Ltd. for permission to use their facilities and to Portro Holdings for permission to use the Markham Shopping Centre Parking area.
