TRY TODAY'S CO-OP FEED

Now better than ever!

See for yourself. Take a handful of new formula CO-OP Feed. Run it through your fingers. Smell it. Even taste it. You'll find it fresh, uniformly textured and palatable. And that's just a starter. For real proof put CO-OP Feed to work on your farm and compare the results with any other feed. CO-OP Feeds produce "results" because they are developed especially for Ontario farmers by your feed research organization—one of the largest in North America. In Ontario and throughout the United States, nutritionists and feed specialists, trained to recognize your needs, work in the Co-operative network of laboratories, feed plants and research farms. Here, they set and maintain the industry's strictest quality standards. Their one aim is to make farming a better, more rewarding life. Remember too, your Co-operative is your business... growing stronger and more successful every year. Try today's CO-OP Feed and see why.

Doorway to all your banking

Did you ever stop to consider all the things a chartered bank can do for you? Your local branch is much more than a convenient place to make a deposit, cash a cheque or see about a loan — each branch, large or small, offers a full banking service. And only here is it possible for you to do *all* your banking under one roof. A branch bank is, in effect, a service centre and everyone on the staff is there to help you, to look after *all* your banking courteously and speedily.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Through 5,630 branches, all across Canada, the chartered banks bring full-range banking within the reach of everyone.
