

"Honorary Reeve" Pioneer Village

The president of the Canadian Weekly Newspapers Association, Charles Nolan of Stouffville, Ont., was named "Honorary Reeve" of Pioneer Village last week during a tour of the pre-Confederation community in northwest Metro Toronto by 350 members of the CWNA. Shown here admiring "Reeve" Nolan's chain of office are left to right: Scott Fyfe, Imperial Oil Ltd., Toronto; Mrs. Dorothy Hague, Toronto, chairman of the historic sites advisory board of the Metropolitan Toronto and Region Conservation Authority; and J. M. Reddick, Toronto, of Imperial Oil Ltd., and a member of the Pioneer Village's printing sub-committee. The Village is being developed by the Conservation Authority as a typical cross-roads community which existed in Ontario prior to Confederation.

Local Plant Addition Nearing Completion

This large addition to the Stouffville Machine & Tool Works is well on the way to completion near the C.N.R. yards. The addition is 100 feet long and 82 feet wide and the contractor is Morley Symes.

with his mother Mr. and Mrs. John May and family on Thurs. An interesting attraction at the CNE this year is the Ford display showing cars from the beginning of production until today. Mr. Clarence Bunker's car, a 1931 Model B Ford is one of the cars featured in this entertaining display. Sunday visitors with Mr. and Mrs. Stan Slack were Mrs. Harry Reid of Brandon, Manitoba and Mrs. Ron McIntyre, Steven and Sharon, Mr. and Mrs. Talbert Evans, Dale and Brian and Mr. and Mrs. Elmer Evans and Doreen. Recent visitors with Mr. and Mrs. Stan Slack were Mr. and Mrs. Norman Pellatt and children of Sudbury. Mr. and Mrs. Dan Norton enjoyed a birthday supper Sunday night with his brother Ed. of Ashburn.

CEDAR GROVE

On July 27th of this year the excavation was begun for an addition to Zion Church which would include more Sunday School space, better kitchen facilities and wash rooms. It was an enormous undertaking for a small parish in both finances and man power. Now, incredibly four weeks later the new addition needs only the roofing to close in the building. Very little of the labor has been hired — only that requiring technical skills outside the knowledge of the congregation — the work has mainly been accomplished by Zion's own members.

Work is ahead of schedule because the response for help has been wonderful. A few telephone calls at nine o'clock in the morning can bring eighteen men to the job by ten. Murray Milroy and Les Beare have been on the job almost every day since work began and nearly every man — and boy — in the community has had a hand in the venture. There were jobs the children could do like raking up small bits of wood before the floor was poured and hammering hundreds of nails. . . . and they did them. Every man's talent and craft has been used.

Next week it is expected the Date Stone will be laid and there will be some, like Mr. George Freeman and Mr. Gordon Dimmia, who will remember the original Date Stone laid in 1890. Then, Mrs. David Reesor the oldest member of the congregation laid the stone with a silver trowel. It is hoped that the same trowel will lay the new stone. Surely, even in those days, no more resourcefulness, no more skill and cooperation could have been evidenced than in the building today of a structure the Zion people believed their community needed.

Saturday was a perfect night for a corn roast. The first one of the season was a tremendous success with about 150 people in attendance. The shuffleboard was very popular and a few couples played their tournaments. Volleyball was another large attraction carrying on until after mid-night. After the delicious corn with all the trimmings, Lola Reesor led in a wonderful sing-song enjoyed by all. Sept. 19 is the date of the next corn roast and we hope it is as much a success as the last one.

In case you are curious about the ambulance which was in the village last week. . . . Mr. and Mrs. Chapman's house guest had a nasty fall and had to be taken to hospital. She is recovering at the Chapman's home.

Lost and Found. After the mid-August picnic 3 aluminum chairs were found at the Community Park. If they are yours they can be claimed at the home of Bert Tapscoff.

At Cedar Grove a sweater is at Marg Milroy's after being found at the Community Park following a baseball game two weeks ago.

Mrs. Mackenzie is still at Petrie's following an operation earlier in the year. Mr. and Mrs. William Duncan of Boston visited the Dares recently.

The Shoudy family returned home from Potash Lake after an enjoyable but cold 2 weeks. Bill Wright of Toronto spent part of his holidays with the Tapscoffs.

GORMLEY

Plans are underway for the union Tent Meeting of the United Missionary Churches in this area to be held just south of the Dickson Hill Church from Sept. 13 to 27. Further details will be given later.

Recent visitors of Mr. and Mrs. Geo. French were Mr. and Mrs. Frank Thompson and Mrs. Ward of Toronto, Mr. and Mrs. Clifford Winger and Mr. and Mrs. Bruce Steckley. Mrs. Harvey Stouffer spent Friday afternoon with Mrs. Beulah Jonse.

The closer you are to a person, the more tact and courtesy you need.

GOODWOOD

Mr. and Mrs. Dalton Anderson entertained their granddaughters Elaine and Ann Alderson of Brooklin and Valerie and Faye Wilson for several days last week.

Mr. and Mrs. Harry Woodland spent two days with Mr. and Mrs. Roy Schuler of Bay City. Mr. Steve Schuler is in good health and wished to be remembered to his Goodwood friends.

Miss Margaret Yake is home from Uxbridge Hospital after undergoing an appendectomy.

The Women's Institute meeting was well attended on Monday evening. President Irene Tindall presided. Plans were made to sponsor a 4-H Home-makers group. Mrs. Vina Coppins and Mrs. Elva Symes had charge of the program. Mrs. J. Amador (nee Betty Gates) told of her years experience in Nicaragua. She stressed how thankful we should be to be able to call Canada our home, and how very poor, yet happy the natives are. Mrs. Amador left on Tuesday by bus to Florida and by plane on to Nicaragua, a little country in Central America where she expects to live for our winter months and will return to Canada in the spring. Mrs. Verma Bunker and Mrs. Marjorie Woodland served lunch and an enjoyable social time followed.

Doctor Russell St. John will speak on the school health program at the Goodwood Home & School meeting to be held in the Senior School room on Wed. Sept. 9th at 8 p.m. A good attendance is requested.

Mr. Harvey Bunker won the first prize trophy at the Canadian National Exhibition Annual Antique Auto Rally with his 1931 Ford Roadster.

"The Goodwood 'Merces' lost the third game of their series with Centre Inn and so are out

of the O.R.S.A. competition. The team enjoyed a corn roast at the home of Ken and Ron May after the game Saturday night. Mr. and Mrs. Leonard Smith and sons of Parry Sound visited
