Mrs. W. Sandle
Lions
Mr. Middleton of the Federation of Agriculture was the guest speaker at the regular meeting of the District Lions Club on Tuesday evening of last week in the Community Hall.

As it was Agriculture Night, Mr. Middleton spoke on "Farmland Expropriation." In case of farmland expropriation he suggested your Federation of Agriculture be contacted.

The Ontario Federation of Agriculture with which this county Federation of Agriculture is affiliated, has been enrolled with the expropriation and farm land owners' problems for several years. The O.F.A. recommends certain actions for expropriating agencies to take to ensure the land owner get just treatment. All of them are based on the assumption that talk was most interesting and informative and was well received by the many guests present. The farmers of the community were well represented. The speaker was thanked by Deputy District Governor Lion Lawson Mumberson.

CEDAR GROVE

The word "great" has been bandied around so much lately that it has become weak and useless in our language. Those of us who were around to see Sir Winston Churchill in his first hours know what that word really means.

Winter came and went on Saturday night. Suddenly we had winds, snow and biting cold and just as suddenly a rain that washed most of winter away again.

Sunday afternoon the Chapmans discovered their living room holds 32. In a spontaneous showing of the Blue nose film, which Chris made last year for TV, they invited as many of their neighbours on the 10th as they felt they could accommodate. The numbers grew mysteriously until 32 saw the Blue nose in colour. This, however is only the first showing and Chris and Aljean will do their best to include all who wish to see it as soon as they possibly can.

Monday night was a night of firsts. It was the first time Dave and Phyllis Ritchie had entertained the community in their new home and it was the first time Marg Walton had been in the chair as new President. It was decided that the club would again organize a well inspection programme in the village and all those interested in having their water tested are asked to call Dave Ritchie for details. A tobogganing party was tentatively planned for early in February. Below is a list of the Club officers for 1965: Pres. Marg Walton, Vice Pres. Dave Ritchie, secretary Lillian Dean, treasurer Don McClelland, flower committee Marie Dare and Helen Little, press secretary Pat McClelland, work committee Stan Milroy and Bob Dare, historian Vera Taylor.
