To Clerk Of PickerIng Township Mr. Douglas J. Plitz is the new clerk of the Twp. of Pickering. The promotion became effective on Feb. 15th

after the bylaw was passed by the council at a meeting on Monday night. The appointment was approved on a 4-3 recorded vote

Mr. Plitz joined the township office staff in May, 1954 and in 1957 was made treasurer of the municipality. He succeeds Lloyd Johnston to the post.

More than 20 applications were received for the office and each of these was considered carefully by the council in committee. Reeve Clifford Laycox, in voicing approval of Mr. Plitz, said that he was pleased that the township had an employee on its staff who could assume such an important position.

Councillor Wm. Newman said that Mr. Plitz had acquired experience in several departments with the township and he felt that this knowledge would be valuable assistance in the office of clerk. He noted too, that Mr. Plitz had established good relations with the general public during the past 11 years. A similar recommendation was expressed by councillor Harvey Spang.

Mr. Plitz' salary was set at \$6,600 and will be reviewed following a period of four months. Mr. Noel Marshall was appointed Deputy-Clerk at a salary of \$4,750. No appointment was made to fill the office of Treasurer, made vacant through Mr. Plitz' promotion. Action on this matter was deferred.
