

HIGH SCHOOL NEWS

Jr. Girls Beat Woodbridge To Tie For First Place

Nelda Booth, IIA
On Wednesday Woodbridge teams were the visitors in our gym.

The junior girls had to win the game to gain a first place tie with Woodbridge. The juniors were true to the Stouffville style and came out the victors by a score of 15-7. The high scorer was Beth Paisley with 9 points. In order to decide who will be the G.B.S.S.A. entry another game must be played on a neutral gym. Everyone at S.D.H.S. wishes the junior girls "the Best of Luck."

The senior girls ended the regular season with their usual winning style by a score of 29-15. The guards, Gail Nelson, Nancy Wideman and Anna-May Sanders played very well. The high scorer was Sharon Wideman with 12 points. The regular season is now over and both teams are looking forward to

success at G.B.S.S.A. Tournament.

Questions & Answers

Question —
Do you feel that all citizens of Canada should speak both English and French?

Answer —
No, I do not because in the Commercial classes, French is not taken. The majority of people with whom you come in contact in your life will be English speaking.

Betty Lamoreaux, Gr. 10B
Answer —
I feel that Canadians should definitely be bilingual. How can we call ourselves a nation united from sea to sea when many a person from Quebec could not even carry on a conversation with a person from Ontario, her neighbouring province. It would have to work two ways though. We cannot demand that the French-speaking people learn English without promising that we will make an effort to learn French.

A Student.

Students Receive P.S. Instruction

Last Thursday and Friday, several students from grades 12 and 13 visited the public schools in and around Stouffville. All the students sat in on different classes and observed the teaching in progress. Some of the students taught different lessons to the classes with little preparation before hand. The students are grateful to the teachers who took time out to explain their teaching methods and to give them some encouragement in the field of instruction.

Senior Girls Win League Basketball Title

Nelda Booth IIA
On Monday, Feb. 15 both Junior and Senior Girls Basketball teams travelled to Bradford.

The senior girls played a fast and exciting game. Under the capable scoring of Donna Knox with 13 points they were able to come out on top by a score of 37-31. Other high scorers were Linda Wright with 10 points and Sharon Wideman with 10 points. This victory gave the senior girls the league title and the right to represent our school at the G.B.S.S.A. Tournament, Feb. 27.

The junior girls also came out on top in their exhibit game. The score of the game was 38-12. The high scorer was Yvette Malloy with 7 points, followed closely by Beth Paisley and Diane Hammerston with 6 points each.

"MUSIC FAIR" FRIDAY NIGHT

An English Fair will be held in the High School Auditorium on Friday, February 26th. The Fair will feature music selections by the High School Band led by Mr. Waite; drama plays and English displays exhibited by the students.

Scenes from Shakespeare's "Twelfth Night" — The Gulling of Malvolio will be acted out on a Shakesperian Stage. A one-act play entitled "The Dear Departed" will follow. This is being directed by Jewel Stoyan and Mr. Neilson.

Tickets may be obtained from the students or at the door. No reserved seats — Adults, 50c & students, 25c.

Buckland, Hill, Spark Sr. Basketball Win

Stouffville met Woodbridge on Thursday of last week to avenge their humiliating defeat at the hands of these rivals at the first of the season. Stouffville spirit came on strong and determined to win, but after three overtimes the score of the Midget game was 16-14 for Woodbridge. However, the handicapped Juniors surprised many fans by edging Woodbridge 31-29. Peter Hambly

Dear Candy...

Dear Candy:
Recently I have found out that I must wear glasses. I am sure that I have not the right shape of face for them. I'm not especially fond of the idea of wearing contact lenses either. Since my difficulty in seeing is not too severe should I just forget I was ever told to wear them?

About To Be Spectacled.
Dear "About":
It would be extremely foolish to neglect your eye problems. In today's modern times, the frames and shape of glasses are so diversified that they enhance any face — oval, round or otherwise. I suggest that you see your optometrist at once and he will help you in selecting the right glasses for you.

Dear Candy:
I go steady with a fellow who does not live in the same town as I do. Unfortunately I do not see him every week-end and the thought of not going out on the week-end repels me. I have been asked out several times and I can't decide what to do. Should I date others and tell my boyfriend or just leave him in the dark?

Tied-down.
Dear "Tied-down":
First of all, I think it is ridiculous for you to go steady with a fellow out of town. If this makes you feel more secure — a ring on your finger — try to explain to him you want to go steady but still date others when he is unavailable. Or is this against "going steady" ethics? I truly think you should date others. What you do is your own business; he doesn't own you, and you don't owe an explanation of your social life to anyone.

Victoria Square News

Mrs. W. Sandle
Lions
The Feb. 16th meeting of the Dist. Lions Club was Education and Ladies Night.

Lion Pres. Clarence Steckley presented a cheque for \$1000 to Mr. Pat. Ottaway, chairman and Mrs. John McCague, Secretary-Treas. of the Community Centre Park Trustees, to help defray the \$5,000 bank loan. Mr. Steckley mentioned since the organization has been raised for community purposes. Of this amount, \$4,875 has been donated towards the Park and Community Hall.

The guest speaker was Miss Hilda Dulleger, of Montreal, who has observed education methods in several countries of the world. She showed many beautiful pictures with a most interesting commentary.
A buffet lunch was served at the close. The next major fund raising activities of the club will be a Donkey Baseball game on Thursday evening, June 3.

There were 13 tables of players at the Community Hall on Friday evening. Prize winners were Ladies, Mrs. Everett Vanderkoo, Mrs. Harry Barber, and Mrs. Sylvia Duffy. Lone Hands, Miss Grace Gail Men, Jim Bowden, Leslie Morganson, and Harold Morganson. Lone Hands, Bill Cox. Lucky draw for a box of groceries was won by Mr. Wm. Orr.

Another Euchre Party will be held in the Community Hall on Friday, Feb. 26 at 8:15 p.m. sponsored by the Community Centre.

World Day of Prayer
The annual World Day of Prayer service for the women of the Victoria Sq. charge will be held this year in the Headford United church on Friday, Mar. 5th at 1:30 p.m. Please note change of time of service.

BETHESDA

Mrs. M. Sparks returned home on Sunday after spending six weeks with her son and family in Carlsbad, New Mexico. Sympathy of the community is extended to Mrs. Russell Richardson in the passing of her sister in California recently. Janice Parrott had the misfortune to break her collar bone last week.

Mr. and Mrs. Donald Purdy, of Toronto, were recent visitors with Mr. and Mrs. Douglas Ashton.
Congratulations to Miss Judith Batten on passing her Grade I Theory in Music with Honours. Owing to icy road conditions the monthly meeting of the Ladies' Bible Class was postponed from Feb. 10th to Wed. Feb. 17th at the home of Mrs. Russell Batten. The scripture lesson was read by Mrs. Theo. Knight. The president Mrs. Douglas Ashton chose for her meditation "A Stayed Mind", followed

Neighbourhood Notes
Birthdays greetings to Donna Beatty, 11 yrs., Feb. 26; Teddy Morton, March 1.

CHIROPRACTIC VIEWPOINT:

SEEING THE SPINE

Back in 1910, researchers at a chiropractic college were the first investigators anywhere to develop the use of x-ray in the examination of the spine. This specialized work was so advanced for its time that these x-ray plates created unusual interest at many scientific exhibitions. The importance of the use of x-ray to the chiropractor soon became evident, so that by 1920, the study of x-ray became an integral part of the chiropractic curriculum.

Spino-graphy is a specialized x-ray field in which the chiropractor is thoroughly trained in order to evaluate the effects of postural and mechanical distortions and spinal misalignments which adversely affect the spinal nerves and thus other systems of the body.

The x-rays taken and interpreted by the chiropractor reveal vital information as to the exact degree of vertebral displacement. Vertebral subluxations or displacements cause nerve interference with resultant symptoms of disease.

As a blueprint provides the builder with detailed information, so the x-ray reveals to the chiropractor necessary knowledge as to the cause of a patient's condition.
