NOW! MORE POWER

in a riding rotary mower

Guaranteed by the mfgs. of Wheel Horse tractors

• Floats a mower 32" wide • Totes the power of 6 horses...geared up by famed transmission

The only similarity between Lawn Ranger and other riding mowers is function. In construction, comfort, agility—Lawn Ranger is like a tractor. Big lawn grip tires, 3 speeds forward plus reverse, easy electric or recoil starting, non-scalp mowing, independent mower brake—Isn't this the rider for you, and your lawn!
