WASHER-SPIN DRYER

With improved design and increased spin basket speed!
EXCELLENT PERFORMANCE — With no special plumbing or installation required. Washes and spin dries up to 24 lbs. of clothes in 30 minutes. Has two separate motors so that one load dries while the other is washed.
EFFICIENT — Saves water! Saves soap! Takes just 10 gallons to wash a full load — then wash water may be re-used for another load!
RELIABLE — Timer switch controls wash cycle from 1 to 4 minutes. Exclusive pulsating washing action forces water through the clothes for extra cleansing.
CONVENIENT — It's portable — rolls easily on rubber casters — top lid provides extra counter space. Approx. dimensions — 29½ x 16½ x 32". Approx. 12' of electrical cord is included.
