

### Further Hearing On Musselman's Lake Zoning In April

Following the second Municipal Board Hearing on the zoning of property at Musselman's Lake, the Board declared it would consider the amendments suggested for a revised bylaw and hold another hearing in April.

At the present time the bulk of the land on the north side of the lake, including the extensive commercial operation of Mr. Vern Davies, as well as the Shadow Lake area has been zoned as commercial.

Mr. W. G. Parsons of Stouffville, represented a number of owners on the south side of the lake whose property was zoned as agriculture. Some of Mr. Parsons clients did not wish such restrictions but wanted their land free for development for commercial or otherwise.

Reeve Ross Farquharson gave a resume of the trouble council had encountered at Lake Wilcox. He said the occupation of small homes there year round had necessitated the erection of an 11-room school. Now the cottages had depreciated in value, some had been torn down, and the school had three empty rooms.
