

News From Butto nville and District

CHIROPRACTIC VIEWPOINT :

TENSION

The secret of good health and happy, energetic living is normal nerve function. Modern life is geared to such a pace that in order to do our job, and attain our ambitions, we seem to be constantly "keyed up."

To help you relax, close your eyes occasionally during the rush of a long, busy day, and try to forget everything in the world around you. Let your mind go blank and see how refreshed you feel after this brief respite from strain. When you go to bed, let your weight sink deep down into the mattress. Do not let an inner tenseness hold you up in the air.

Have your spine and nervous system checked at regular intervals. The professionally trained chiropractor will be able to give you invaluable suggestions and corrective treatment if necessary. When the nervous system is working smoothly, unhampered by either emotional or physical hazards, the result is better health.

THE MISSIONARY ENTERPRISE IS NOT THE CHURCH'S AFTERTHOUGHT
IT IS CHRIST'S FORETHOUGHT

Plan To Attend This Missionary Convention

April 15, 1963

Neighbourhood Notes

Mr. and Mrs. Harold Baldwin have sold their home and property on Don Mills Rd. to a lumber company, and plan to move to the Stouffville area in the near future.

Recently Mr. and Mrs. Hank Coleman entertained Brown's Corners Church choir members at a practice held in their home.

Mrs. Wm. McGimpsey was a guest recently at the home of Mr. and Mrs. Elmorie Hill, and visited other friends in the neighbourhood.

Mrs. Russell Boyington was hostess last week to two Toronto Teachers' College students who were assigned to practise work at Buttonville School.

They say lightning never strikes twice in the same place, but the Brodie family at Headford knows that it does. Their house was struck during an electric storm last week, for the second time within a year or two.

Mr. and Mrs. A. W. Miller, Mr. and Mrs. Norman Lott and Mr. and Mrs. Earl Empringham were guests at the Brodie — Dawson wedding which took place at Grace Anglican Church Markham on Apr. 11. The groom is Neil Brodie, son of Mr. and Mrs. William Brodie of Unionville and the bride is Doreen Dawson, daughter of Mr. and Mrs. Wm. Dawson of RR 1, Markham.

Mr. and Mrs. Gordon Spring and John Crawford were received into membership at Brown's Corners United Church at the Palm Sunday reception service. Rev. Dr. A. F. Binnington officiated, and the choir, under the direction of Mrs. Don Reesor, sang "The Palm" with Mrs. A. W. Miller soloist. It was also the occasion of the Quarterly Communion service.

After his Ordination next month, Mr. Terry Whyte, who has served as student minister at Victoria Sq. Charge this year, will take over duties as minister at Hazelton, B.C.

Anniversary Service (1842-1963) Anniversary services will be held at Brown's Corners United Church on Sunday, May 2, when the congregation celebrates its 123rd birthday. Rev. Dr. A. G. Reynolds, M.A., Archivist for the United Church of Canada, will preach at the 11:00 a.m. service, and in the evening the guest speaker will be Rev. Geo. M. Morrison, B. Comm., B.D., who gave up a lucrative career in the business world to become a churchman. Special music has been planned also. In the morning the church choir will sing, and in the evening the Newmarket Male Choir, under the direction of Mr. Leon B. Nash, will provide a musical program.

YCHA Euchre The local Branch of the York Central Hospital Auxiliary held a euchre party at the W.I. Community Hall on Friday, Apr. 9, and more than 28 tables of players attended. Winners were Mrs. Norman Reid, Mrs. Ross Davis, Mrs. B. Thomson, Mrs. Bernice Tooley; Messrs. C. Latham, Gordon Spring, Ken Stots, and Roy Robinson.

Mr. Russell Burr was Master of Ceremonies, and those winning lucky draws included Mrs. Walter Craig, Mrs. G. Weldmark, Mr. Bob Risebrough.

Freezeout winners were Mr. Douglas Hood, Mr. Bill Middleton, Mr. George Kelly and Mrs. Hutchison.

On April 23 the final W. I. sponsored euchre will be held and on the following Friday, April 30, the Markham Lawn Bowlers will hold a euchre, the last of the season at Buttonville, U.C.W. Meet

Brown's Corners United Church Women met for dessert luncheon on Wednesday and afterward held their Easter Thank offering service. Mrs. A. F. Binnington and Miss Mary Rodick were hostesses. Mrs. Harold Steffler conducted the meeting, and Mrs. George Hooper was soloist, accompanied by Mrs. Binnington.

The devotional service was taken from the 17th century works of the French monk, Brother Laurence "who formed Heaven on earth among the pots and pans of a kitchen."

A film strip "The Last Days of Jesus" was shown, with Miss Mary Rodick reading the script. This was followed by discussion led by Mrs. Binnington, regarding the life of Jesus, and those who were influenced by it.

During business, treasurer, Mrs. Norman Reid announced that receipts from the Lucky Luncheon and Bake Sale were \$34.04.

Dates to remember include: Open House at the Ina Grafton Gage home, May 12; York Manor Open House, April 28; Strawberry Tea, June 27; Brown's Corners U.C.W. on the evening of May 4, with guest speaker Mrs. Lawson Mumberson reviewing "To Kill a Mockingbird," followed by discussion of this timely book on the position of the American negro in his own land.

Easter Sunday was the farewell service for Mr. T. T. Whyte at Brown's Corners United Church.

On May 9th the student on this charge will be Mr. R. G. Hobbs, B.A., who is completing his second year at Emmanuel College. After that date the session will meet to decide his future relationship with the charge.

Hockey and curling wind up this week, even for die-hard George Hooper's rink was still hoping to capture the Stanley Defoe Trophy in Curling, and hockey teams were travelling far in the playoffs.

Paul Craigie was a member of the Unionville All Star Squirts playing at Elmvale last week, and David Turner, Brian Hood, Phillip Johnson and Wayne Bobbett were members of the Pee-wee All Stars playing at Elmvale and Goderich. Opposing teams were from Burks Falls, Thornbury, Stroud, Oro, etc. Unionville ice is out-of-bounds for the hockey set this week, because of the Ice Carnival which takes place this week-end. Kathy and Lorna Cox will skate in that highlight of the spring season.

Mr. George Wardie has been ill recently, we wish him a quick recovery.

Janet Craig was home with her parents, Mr. and Mrs. Walt, Craig, for the Easter holiday, happy that she passed her first set of examinations at the Toronto General Hospital with flying colours.

On Good Friday the Brown's Corners congregation joined with Headford and Victoria Sq. in a special service at Victoria Sq. Church. Rev. Dr. A. F. Binnington preached the sermon, and Mrs. Stanley Defoe was organist. Mrs. Alan Orr led the combined choir.

Easter Services The outdoor world may have looked like Merry Christmas last Sunday morning, but at Brown's Corners Church the greeting was Happy Easter. As early as 6:30 a.m. people began to gather for the Sunrise Service, which was held in the Christian Education room.

Following a devotional period led by Mrs. Harold Steffler, president of UCW, Mr. Garnet Stewart, superintendent of the Sunday School, and Rev. Dr. Binnington, there were hymns with Miss Joy Fuller at the piano. Breakfast was served at the conclusion and for a time the kitchen was a bustling place, with pancakes in the making.

Here are 6 reasons
why you should improve your home with

NEW ALCAN SIDING

- IT'S DOUBLE GUARANTEED
This is the only siding in Canada with a double-guarantee. Alcan guarantees the quality of the siding... we guarantee the installation. Alcan Siding is government approved—the C.M.H.C. acceptance number is shown on every piece.
- IMPROVES APPEARANCE
Alcan Siding gives you a new home without moving. Comes in white and all popular colours that keep their new, fresh look for years. It ups re-sale value significantly.
- COLOURS ARE BAKED ON
All enamels used on Alcan Siding are laboratory tested, then baked on—with their uniformity and thickness electronically controlled. This means beauty that lasts ...and lasts.
- PROTECTS YOUR HOME
The aluminum in Alcan Siding is chemically treated on both sides, enamelled on the front and lacquered on the back—gives you years of extra service against wind, rain, snow, sun and salt.
- MADE SPECIFICALLY FOR THE CANADIAN CLIMATE
Makes your home warmer in winter, cooler in summer; special "vent holes" eliminate harmful condensation.
- SAVES MONEY AND WORRY
With Alcan Siding you can forget constant maintenance and costly re-painting—forget rotting wood, cracking stucco, leaks requiring re-caulking. It cuts fuel bills too.

Improve your home now with new Alcan Siding—call us for free estimate.
