74% Of Taxes In Town Now Paid In Full

Stouffville taxes due on June 1st, Clerk Ralph Corner reported last week that 74 per cent of the total for 1965 had been paid in full.

As of June 2nd, \$270,000 had been received compared with \$218,000 for the same period last year. The total levy is \$365,618,

an increase of \$15,000 over A one per cent discount is

allowed for full payment at the time of the first installment. The second installment falls due on Nov. 1st.

Ratepayers Protest Centennial Park

A special meeting of Markham Township Ratepayers, including members of the newlyorganized Buttonwood Ratepayers, gathered on Tuesday night to air their views on the proposed centennial park on the 5th concession.

Chief bone of contention was the fact that if the government grants were to be secured, overnight accommodation would have to be provided. This the gathering viewed as non-desireable so near to Metro, and they will appear before Council with their protest next Monday.

Keceives Award

A mother cat that has taken up permanent residence in the garage premises of Patrick Motors, Stouffville, will now require more suitable accommodation. On Tuesday she gave birth to four little pussy cats and she chose the interior of a truck tire as a make-shift maternity ward. Employees are kceping a close eye on the brood and report that all are doing well.

All Car Keys Stolen In Auto Theft

When thieves broke into the auto showroom of Chas. Cooper Ltd., Claremont on the weekend, they weren't content with one 1961 model car. They also took the keys to every new and used vehicle on the lot.

On Monday, the auto was recovered on Hwy. 400. Ten sets of keys were found in the rear seat. The thieves escaped on foot.

Entry was gained to the Cooper premises by cutting out one pane of a side window. They were then able to reach inside and take the ring of keys off the wall.

Pickering Councillor Criticizes Split aid In Full Vote At County Council Level

Claims Division of "Grave Concern"

At a special session of Ontario County Council in August, Reeve Clifford Laycox of Pickering Twp. will present a motion, asking that all municipalities be placed under county assessement control.

Deputy-Reeve Mrs. Jean McPherson indicated on Monday night that she will oppose the move. Pickering is already included in the county assessment program along with eight other towns and townships. Nine remain outside.

The pre - announced split between the reeve and deputy - reeve over the assessment issue brought councillor Wm. Newman into the discussion. He called it a matter "of grave concern". He said he had learned on good authority that such a division of thinking had occurred before. "We can't tell you how to vote but when it's to Pickering's advantage, I feel you should stick together," he said. He charged that Pickering's image in County Council was being hurt by the reeve and deputy working at cross - puposes.

A Violin Would Be Handier

When Bob Hassard, Lloyd Ave., Stouffville wants to get in a little fiddle practice, he has problems. The instrument is too small for a truck and too big for a car. So he just throws it over his shoulder and pedals. -Staff Photo.

Milk Trucks Also Affected By Load Limit - Farguharson

The placing of a load limit on the Bloomington Sideroad Whitchurch Twp. would affect other vehicles in addition to gravel trucks, a delegation of ratepayers was told at a council meeting on Tuesday night.

"Maybe we should stop milk pick-up from the farmers," said Reeve Ross Farquharson, "is that what you want?". The reeve addressed his remarks to two ratepayers, Carl Insley and Edward Sheppard.

The reeve explained that a all trucks. He argued that by limiting the load weights, the larger vehicles would then be replaced by smaller ones.

Twp. Clerk, Thos. Kerr said that the solicitor advocated the take-over of the Bloomington Road by York County or, failing this, appeal to the Dept. of Hwys. for assistance.

Want Traffic Lights

Whitchurch Twp. Council has received a request for traffic lights or some more adequate form of traffic control at the intersection of Hwy. 48 and the Ballantrae Road.

In a letter Mrs. Lillian Gough said that on weekends, motorists proceeding east and west were faced with an extreme hazard in attempting to cut through traffic going north and south. The corner is protected only by a flashing red and amber: light.

Mrs. Gough said that not only drivers but pedestrians also faced the same problem.

Police Chief Fred Mason agreed that it was a dangerous area but noted that he lacked sufficient personnel to place an officer on full-time weekend traffic duty. He said that during a holiday period, it was not uncommon for east-west motor. ists to be held up for a period

The council decided to refer the request to the County.
