

# IF YOU'VE ALWAYS WANTED A STANDARD TYPEWRITER

*Here's the Machine For You* **ADLER**

- First Name in Typewriters
- When You Buy ADLER, You Buy Quality
- 60 Years of Skilled Workmanship

If You Are Looking for a Lower-priced  
Standard Typewriter, be sure to see the

## ***SPECIAL 13***

★ LOW PRICE

★ FAMOUS QUALITY

★ FULLY FEATURED

*Here's the ideal machine for periodic use because  
it embodies all the larger, heavier typewriter  
features without the excessive bulk*

### You get Everything and Low Price as well

Produced by Europe's most experienced typewriter manufacturer and built to the same rigorous standards of quality and workmanship which have long been the hallmark of ADLER products. Compare it with any manual typewriter and your choice will be ADLER.

### MORE WORK IN LESS TIME

Makes ADLER your choice. For more than 60 years ADLER has been the leader in the design and development of modern office typewriters.

You get the most advanced styling - fine high style print work - outstanding ease of operation - built to give years of trouble-free typing - unique manufacturing methods reduce servicing.

**You Can RENT These New Machines Too - \$18 for Three Months - \$7 for One Month**
