is not a watch.

ACCUTRON "214"  
Handsome stainless steel case,  
hand-applied hour markers, Allig-  
ator strap, Waterproof shock-  
protected. \$129.95

But it  
will always  
give you the  
precise time of day.

All the parts that make a watch fast or slow—the mainspring, hair-spring, balance wheel—have been left out of Accutron. The Accutron movement is electronic. It keeps virtually perfect time by the vibrations of a tiny tuning fork powered by a battery. And comes with the first guarantee of accuracy ever given. No watch has ever been so precise. So don't even call it a watch. Accutron is the world's only electronic wrist timepiece. It's worth the time to you to look into it.

Accutron prices start at \$149.95

### RINGWOOD

Mr. and Mrs. Harvey Preston and family attended morning worship service and afterward had dinner with his sister and husband, Mr. and Mrs. Jos. Fockler.

The Antique Show display in Markham Arena was well attended, and well worth seeing, according to this correspondent. Pleased to report that Carl Painter was not seriously hurt although his car was badly damaged in an accident in the west-end of Stouffville on Saturday night.

### AUDLEY

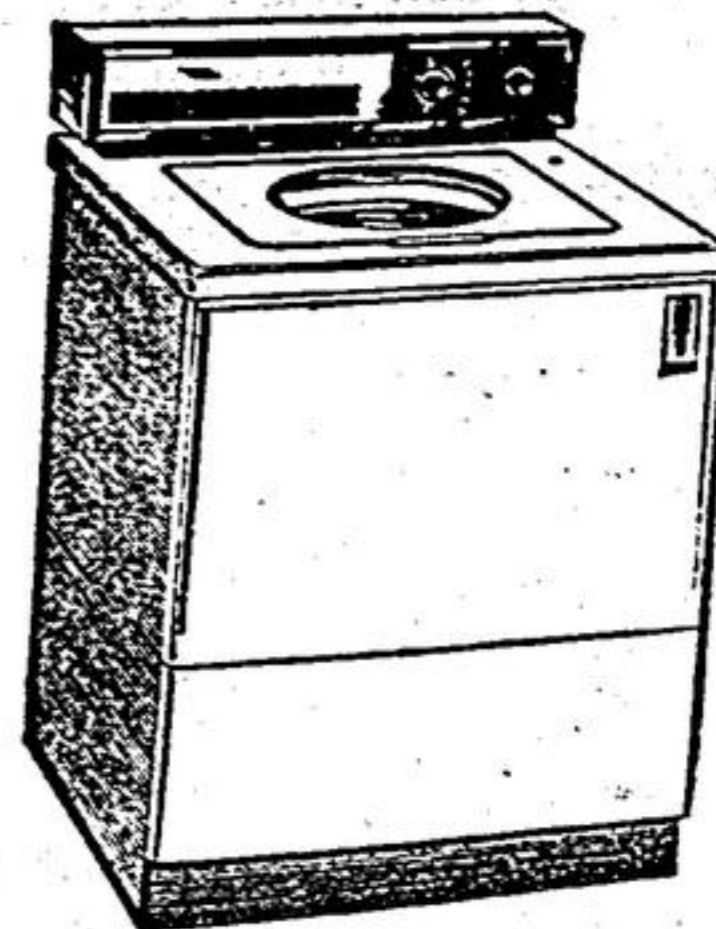

Mrs. Fred Puckrin The U.C.W. held the first fall meeting at the church on Thursday evening with 10 ladies present to answer the roll call "faith." The president, Mrs. Bert Guthrie conducted the business. A donation of money was given to Miss Eileen Barkey of Pickering, who went to India in August to work in a hospital. Mrs. G. Astley, Mrs. L. Waltham and Mrs. Fred Puckrin were named to the nominating committee. Mrs. Waltham led the worship and gave a program on "faith." She was assisted by Mrs. Bill Guthrie who gave the prayer and Mrs. G. Squire who read a poem. The ladies were divided into groups for Bible research. The hostess, Mrs. Fred Puckrin, served refreshments. The Hi-C group will begin the fall activities with a meeting at the church this Sunday evening at 8 p.m.

Mrs. John Puckrin entertained her Primary Sunday School class at a picnic on her lawn, one afternoon recently. Some of the Audley ladies attended a shower on Saturday evening at the home of Mr. and Mrs. C. Mesher, Whitby, in honour of Miss Barbara Puckrin of Whitby, who is being married on Sept. 25th. Several from here joined in the noise-making on Saturday evening at a chivaree at the home of the newly-weds, Mr. and Mrs. Garry Batty of Brooklin. Some of the ladies attended a trousseau tea on Saturday afternoon for Miss Catherine Newton at the home of her parents, Mr. and Mrs. J. Newton, Almonds.

A young engineer was proud-projcting officials his first big project, a \$10 million dam. One official checked the blueprints, stared in amazement, and then exclaimed, "Heavens... the water... it's supposed to be on the other side!"
