Flying Farmers Come to Big Match

Arrangements have been made for members of the organization known as the Flying Farmers, to attend the big match, coming in their own private aircraft. While landing facilities are available at Buttonville, a field is also being provided right on the match site and space for the planes to be parked. In the case of those landing at Buttonville a shuttle taxi service will be set up to get the arrivals to and from the match. Most of those farmers operating their own planes come from the United States but there are now a number of farmers in Ontario and the West who travel this way. Expectations are for fifty to seventy-five such visitors.

CEDAR GROVE

APPLE BUTTER FESTIVAL WEEK

If the visitors to Cedar Grove's Apple Butter Festival had any idea of the preparation that goes into this annual two day event, they would consider it fair to price a pint of apple butter about the same as a pint of uranium. At this stage, a few days before Thanksgiving, nearly 200 bushels of apples have been picked for apple butter and cider. This week there will be 2 schnitzing bees in Cedar Grove (one is Thursday evening) and all the old fashioned apple peelers in the village will be pressed into service to peel 125 bu. of apples. Some of these peelers are over a hundred years old and still provide the best way to peel an apple. Then dozens of women will core and quarter the fruit and the patient, strong men of Cedar Grove will cart them all to Woodland park in large pails where they remain in the cooler until boiling time. Two boiling bees will precede the Festival to insure enough apple butter for sale before the big copper pots come off the tripods in mid afternoon on Saturday.

The booth is being stocked with manpower, pancake flour, hot dogs and chips, cider and coffee to feed the hungry visitors. And when company comes to Cedar Grove on Saturday all will be in order with five pots of butter bubbling over hardwood fires; displays set up in the beautiful Woodland Park setting and Cedar Grove will be on hand to the man to welcome all visitors to this year's Apple Butter Festival, Saturday, Oct. 9th and Monday, Oct. 11th, 2 1/2 miles east of Hwy. 48 on Steeles Ave. . . . and the price of apple butter remains the same.

Markham Fair is gloriously over for another year and Saturday must surely have set a new record . . . it certainly did at the Cedar Grove booth. The smell of that delicious barbecued chicken drifted over the fair grounds and brought hungry people to the booth as fast as the chicken came off the coals. The Fair never looked better and the school display this year was outstanding. Cedar Grove won its share of the prizes with the children taking most of the honours. Sharon Lapp had seven entries with five prizes and two firsts and the cake plate for the most number of points in the under 18 class. Ricky Lapp won a first for his chocolate cake and a first and fourth for knots and wood respectively. Arty Milroy and Bobby Dean each won a first and a fourth for some very fine looking rabbits and the Marison children did well with apples. David Whitmore got a first for his vegetable collection and a fourth for leaves while Jeannie Hamill took the second prize for vegetables. Raymond Reesor was a little richer for catching a greased pig and Marion Reesor won four prizes out of five entries in the under 18 class. That may or may not be all the winners. The children are spread out all over the place this year and, unless proud mothers phoned in the good news, it was pretty hard to tell who won what.

Joyce Lapp and Merna Burkholder upheld their usual reputations at the Fair. Out of 13 entries, Joyce had 3 firsts, five seconds and 3 fourths and Merna entered 13, got 11 prizes with 6 firsts.

Lost and found at the Fair. David Ritchie lost his new jacket, a navy blue Scotch Guard with his hockey and baseball crest sewn on. If found please contact his hopeful mother (294-1386). A rectangular aluminum tray with a fluted edge was still at the booth when it was dismantled on Saturday night. The owner will find it by calling 294-1386.

That brutal frost on Monday night put the finishing touches on local gardens. At Whitmores the loss on tomatoes and pumpkins was very high but a good day on Saturday did provide some lucky pickers with the last of the tomatoes and peppers. What makes a good year for strawberries does not necessarily make a good year for tomatoes.

Belated best wishes to Mary Gaston and Dave Morrison who announced their engagement some time ago.

Cedar Grove Community Club sends a most sincere Thank You to all the willing helpers who helped to make Markham Fair Booth a great success. Many pie makers were not members of the club and some did far more than was asked. The Club is very grateful. Everyone's contribution was much appreciated.

Monday night's Euchre winners were: Mary Catton, Mrs. Harvey Swain, Mary Ingleton; Harvey Swain, Henry Oeden and Allan Jefferson. Next Euchre will be Oct. 18th.

At the Hi-C meeting held Sunday evening, the following officers were elected: Pres., Catherine Ritchie; Vice-Pres., Gordon Milroy; Secretary, Alleyne Worden; Treas., Barb Sedgewick.

Dates To Remember: Thursday there will be a schnitzing bee in Cedar Grove to which all peelers are most welcome, 7:30 p.m.

Oct. 9th. Ladies of the UCW are asked to have their baking at Woodland Park at 1:30 p.m.

Oct. 10th. Sunday. Hi-C will meet at Zion church.

Oct. 8th. Friday. Explorers will meet at Zion church at 7:15 p.m.
