# St. Mark's School News

**School Newspaper**  
The Grade 6, 7, & 8 class have been working hard on the first issue of the St. Mark's Chronicle, which is due out this Friday. The Chronicle will contain school news, class news, sports, poem, creative English work, cartoons and so on. The executive of the paper is working quite hard to make this first issue a good one.

**Pupils Write Classmate**  
The pupils of Grades 6, 7 and 8 sent letters last week to classmate Kathy Kenny, who is presently in Sick Children's Hospital. In return the class received a letter from Kathy telling them that she is ill with Rheumatic Fever and will probably be away from school for a month. Each pupil in the class is taking a turn writing a letter to Kathy until her return.

**Classrooms Near Completion**  
Pupils are anxiously awaiting the completion of the classrooms at St. Mark's and by the time this article is read all rooms should be in their classes. The teachers of St. Mark's feel that they have never seen such a well planned schoolroom. The bulletin board space in the classes is a teacher's dream. Our school has taken a while to be completed but it certainly well worth waiting for.

**Student Council News**  
Plans for the Student Council are underway. The nominating and campaigning will be held during the first week of November. The election will be held on November 8.

**Vote of Thanks**  
A large thank you is extended to Mrs. Insley, Mr. Foulds and Mr. Kamps who provided transportation for our school football team and cheerleaders to Keswick for a game against St. Thomas Aquinas School. All told 33 pupils, four teachers, and the above mentioned parents made the trip.

**St. Mark's Defeated**  
St. Mark's football team was defeated in their first football game last week by the score of 31 to 12. The boys played ex-

tremely well considering the fact that this was their first attempt at football plus the fact that they were playing against a team that has had four years experience at this game. The game itself was much closer than the score indicates. At the end of the first half the score was deadlocked at 0 to 0. The closest thing to a score was when St. Mark's advanced to the St. Thomas 25 yard line and on a third down gamble failed to gain a yard and lost the ball on downs. In the second half the offensive players took over. An intercepted pass and a fumble set up two St. Thomas touchdowns and at the end of the third quarter our boys were down 20 to 0. In the final quarter St. Mark's found the scoring touch as Donald Kennedy rambled 25 and 35 yards for touchdowns. Other standouts for St. Mark's were Wayne Flynn, Carl Insley and Henry Brown. Gerry Egberts, Robert Daniels and Henry Joosten were strong on defense. Keswick will journey to Stouffville this week for a return match.
