

## Homemaking Club Achievement Day

(Donna Stewart, Home Economist, York & Ontario Counties)

**AURORA** — Muffins, muffins and more muffins! This was the scene in the gymnasium of Dr. G. W. Williams Secondary School in Aurora on Dec. 11, 1965. Each of the 130 4-H Homemaking Club members exhibited FOUR muffins for the Achievement Day of the fall project, "The Cereal Shelf."

The members from each of the ten Homemaking Clubs in York County took part in the morning activities. These included judging classes of muffins and menus, and a quiz on general cereal information. Through this programme each individual gains valuable experience by weighing values, making decisions and in self-expression.

The afternoon programme was headed off by skits from King City and Bogartown on the "Art of Making Muffins." Sharon Bake, Edgeley and Dale Tapscott, Agincourt, commented on exhibits "Featuring One or More Cereals." Nobleton and Snowball clubs pre-

sent skits on "Around the Clock with Cereals." The same topic was portrayed in an exhibit from the Vandorf Club with Shariene Atlas as the commentator. Mrs. Elizabeth Cairns of Schomberg and the South Vaughan Club presented exhibits on "Featuring Flours." Two visiting Home Economists, Mrs. L. McLaughlin of Nestleton and Mrs. C. Henderson of Barrie, gave comments on the skits and exhibits.

A sterling silver spoon was awarded to each club member who completed the project, and to each of the leaders.

The highlight of the afternoon came with the presentation of the County and Provincial Honours! Mrs. Ross Armitage, President of the York County Women's Institute presented the girls with their Certificates.

County Honours to: Christine Beare, Margaret Featherstone and Lesley Fularton of Agincourt; Myrna Laverly, Nobleton; Nancy Snider, Snowball; and Mary Anne McCallum, South Vaughan.

## St. Mark's School News

**Examinations In Progress**  
The first term examinations began at our school on Monday, December 6th. The first term report cards will be sent home on Friday, December 17th.

**Project Successful**  
The first project undertaken by our Student Council turned out to be extremely successful thanks to the hard work of the Student Council Members. The Council was in charge of a booth at a recent bazaar held by St. Patrick's Church, Markham. The Council sold articles which had been made by the pupils of Grades 1 to 5. Mr. DeLaat's room made decorative candle holders; Miss Amirault's room made Christmas candles and Mrs. McCormick's room made Christmas wreaths. The receipts were over fifteen dollars. The following council members served on the bazaar committee and are to be congratulated for their success: Gerry Egberts, Rae Insley, Wanda Klonowski, Donna Gibson, Bev Smith, Mike Bedore and Debbie Chamberlain. As yet the council has not decided what will be done with the money raised.

**Attendance Award**  
This month's Attendance Plaque was awarded to Miss Amirault's Grade 2 and 3 class. For the month of November, Miss Amirault's room had the best monthly attendance. Congratulations are extended to the Grade 2 and 3 class.

**Holidays Approach**  
The Christmas holidays are quickly approaching. The holidays are quickly approaching. The holidays this year begin on December 23 and the children will return to begin the second term on January 3rd.

**School Newspaper**  
The second edition of the St. Mark's Chronicle is due to go out on December 22. Immediately following the examinations the executive of the newspaper will hold a meeting to make plans for the next issue.

est award in 4-H Homemaking Clubs to: Jean Armstrong, Nobleton; Laurie Denham, Queensville; Jean Miller, South Vaughan.

## GORMLEY

A number from our community attended the sod turning service for the Brethren in Christ Church at Concord Sunday afternoon. Bishop E. J. Swalm and Rev. Roy Sider of Sherston took part in the ceremony.

The ladies of the U. M. Sewing Circle had a Christmas party on Friday afternoon for the Gormley ladies at the Parkview Home in Stouffville.

Mr. Robert Cober is home from Liscombe College, Nashville, Tenn. for the Christmas holidays.

Friends here will be sorry to learn that Miss Reta Chapman of Aurora slipped on the ice on Saturday night as she got off the bus and broke her leg. She is now in York County Hospital Newmarket.

Rev. Glenn Frey, on furlough from Rhodesia, Africa, gave a very enlightening address on conditions there at Heise Hill Church on Saturday night. He also showed pictures of the work there.

Four year old George Davie, son of Mr. and Mrs. Gordon Davie and grandson of Mr. and Mrs. Harry Barber was hit by a car in Uxbridge on Saturday afternoon. He was taken to Uxbridge Hospital. At the first of the week he was out of danger and making a good recovery.

Ground was broken in the form of a cross for the new Brethren in Christ Church at Concord on Sunday afternoon.

Rev. Roy Sider, Board for Home Missions and Extension, had charge of invocation. The "Breaking of Ground" Litany was read by Bish. E. J. Swalm. Those participating were former Bish. A. L. Winger, pastor Arthur Heise, deacon Harold Heise, S.S. Supt. Murray Winger, building committee chairman John Patfield, youth leader Ronald McMullen.

The congregation had looked forward to this event for so long that they proceeded with the service in spite of the icy conditions and were thankful that no rain fell during the service.

## Chiropractic Viewpoint NEW DISCOVERIES

Public interest and new articles on health frequently featuring as new and original, recent discoveries in the never ending search for health restoration.

Of particular interest to the chiropractic profession is the recurring corroboration being given to the chiropractic principle that spinal vertebrae when displaced cause nerve interference that results in ill health. By chiropractic adjustment, nerve interference is removed, bringing about a return to health.

Chiropractors find this recent corroboration of the profession's principle most refreshing, following years of criticism, by some groups. History shows that anything worthwhile and of great benefit to mankind must first successfully withstand the resistance of the "status quo" before it is finally accepted.

The public is becoming more aware of the increasing attention being focussed on the spine and nerve interference as one of the most common causative factors responsible for ill health.

The development of such an important and firmly-founded health principle has enabled the chiropractic profession to render a unique and valuable service in health problems.
