'Worst Night Ever' Claremont Chief

Chief, Tom Hammond has responded to a good many calls in his day in all kinds of weather, but conditions on Sunday night were described as the 'worst ever'.

The brigade was summoned to the scene of a barn fire on the property of Mr. Jack Jensen, conc. 8, Pickering Twp. It was at the height of the storm and visibility at times was reduced to zero. The 20 by 30 frame structure was destroyed along with a quantity of hay, straw and grain. Two steers and a goat were saved. "It was the worst ever,"

Two Engines, Six Tank Cars Vault C.N.R. Line In Markham

First Accident On New Bypass

UNIONVILLE- Two diesel engines and six tanks cars vaulted the tracks on the C.N.R. bypass line in Markham Township on Friday, but no one was injured.

The accident occurred south of Hwy. No. 7 between concessions 5 and 6. The lead locomotive plowed into the snow but remained upright. The line through to Montreal, remained clear.

· Workmen toiled throughout the day and night in sub zero temperatures, repairing the damaged track. A huge mobile crane was used to lift the two engines and cars.

Since the derailment occurred between the two concession roads, work crews had to reach the scene from 14th Avenue through a farm field.

It is believed to be the first serious accident on the bypass since it was opened to regular train

Car Faulty - Driver Too

STOUFFVILLE - Was the driver at fault or was it his car?

Both, according to evidence presented at a hearing on an impaired driving est Nokes of Glen Major in Uxbridge Township.

Constable David Hadden of Stouffville said he followed the Nokes' auto along Main and Market Sts. before it veered into the ditch.

Solicitor Donald Hindson of Markham argued that the car's foot brake was low, the steering was loose, there was no emergency brake and the gas pedal was missing:

Although the accused admitted that he had consumed three bottles of beer earlier in the day, the officer said that he completed several 'tests' at the police station fairly well.

Magistrate O. S. Hollinrake felt that there was sufficient evidence to support the charge. He levied a fine of \$125 and costs. The case was heard on Tuesday in Richmond Hill Court.

Big Blow Closes Roads

STOUFFVILLE - It's an ill wind that doesn't blow someone some good and for hundreds of happy children, the weekend storm brought a one-day vacation from

Poor visibility and heavy drifts kept buses off the back roads on Monday morning, forcing the cancellation of many classes. In Markham Twp. Area 2, only Unionville school was open. In the Whitchurch Area, about half were closed. All were shut down in Uxbridge Twp. and even the high school in Uxbridge Town was closed. In Pickering Twp., Area 1, schools at Atha and Mount Pleasant remained shut for the day. St. Mark's Separate School in Stouffville was closed since about 80 percent of the children arrive by bus. Both Markham and Whitchurch police departments

received several calls from marooned motorists. All were later freed by tow trucks or snow plows. Whitchurch sent a cruiser out to the Aurora Sideroad when a woman, just released, from hospital, required assistance. She was taken to East Gwillimbury and then on to her home in Keswick.

The home of Mr. and Mrs. Wilfred Welch, Ballantrae, has been almost completely closed up by a 20-ft. high snow bank thrown up by the provincial snowplows. Neighbours helped extricate Mrs. Welch: on Tuesday so that she could visit a daughter in hospital, and are planning to assist with a loader to clear the snow from the front of the house.

Bogus Bill

The first \$20 bogus bill to be located in this area, turned up last week at the Bank of Nova Scotia in Markham. The counterfeit and a legitimate bill are held here by teller Linda Woolven, Albert St., Stouffville. Close inspection shows the queen's features to be rather dull on the forgery (top) and green spots on the paper cannot be scraped off.

Use Compass To Reach Shore

STOUFFVILLE - It was a rather blustery afternoon here in Stouffville on Sunday but the wind whistling along Main Street was a. mere breeze as compared to the storm that swept across Lake Simcoe. Several disrict residents were iceishing off Jackson's Point when the storm struck. One of these was Lloyd Houghton, Hawkridge Ave., Markham and manager of the Stouffville I.G.A. Foodliner.

He, along with his son, Keith, 12 and his companion, Scott Dingwall, Windridge Drive, were among a group of nine who left on Sunday morning. They planned to fish until 4.30 p.m. but by four o'clock, the weather had closed in. The visibility was reduced to zero.
