GET READY FOR WINTER

YOUR WINTER COMFORT GUIDE: AT YOUR SERVICE!

With the weather being so pleasant of late, it's hard to believe winter is just about to poke its head around the corner and give us all a whiff of chilly winds and drifting snow. It's also hard to put our minds to the task of getting ready for Mr. Winter! May we suggest you give this matter considerable thought now . . . check and see what you must do to be prepared for a snug, warm and comfortable winter. Featured here are a host of reliable firms that can help you in so many ways to make your winter a care-free one. For the finest in service give them a call.

KEEP THIS GUIDE AS A HANDY REFERENCE TO GET READY FOR WINTER.

GIVE OLD MAN WINTER A TOUGH TIME—INSULATE

If you are bothered and perplexed about the high cost of heating this coming winter, why not start solving the problem now by using

ZONOLITE, VERMICULITE INSULATION

Add this insulation to your present attic insulation to bring it up to the minimum standard of 4 inches. It will save you dollars on fuel bills!

* Easy to apply * Quick to apply * It's clean
