In spite of the additional accommodation afforded by the Parkview School project, Business Administrator, Wilfred Morley recommended that the Mt. Joy School be kept open to take care of the ever-increasing enrollment in 1966-67.

If you want satisfactory relief from "Itching Piles"—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.

In case after case "very striking improvement" was noted, even among cases of long standing. And the improvement was maintained over a period of months!

This was accomplished by a new healing substance (Bio-Dyne)—which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation "11". Ask for it at all drug stores—satisfaction or money refunded.

double your money with Canada Savings Bonds Centennial Series

Centennial Series Canada Savings Bonds offer you their highest interest yield ever—6.48% a year when held to maturity.

The new Bonds pay annual interest at the rate of 5% for each of the first four years; 5½% for each of the next three years; 6% for the following year and 6% for each of the last five years—a total of \$72.25 in interest on every \$100 Bond.

And for the first time, there is a special compound interest option. To take full advantage of it, leave all the annual interest uncollected until Nov. 1, 1979, and you will get interest on your interest, amounting to \$27.75 extra on every \$100 Bond.

It all adds up to total interest of \$100 on every \$100 Bond. It's a safe, sure way to save. **DOUBLE YOUR MONEY** with Canada Savings Bonds Centennial Series.

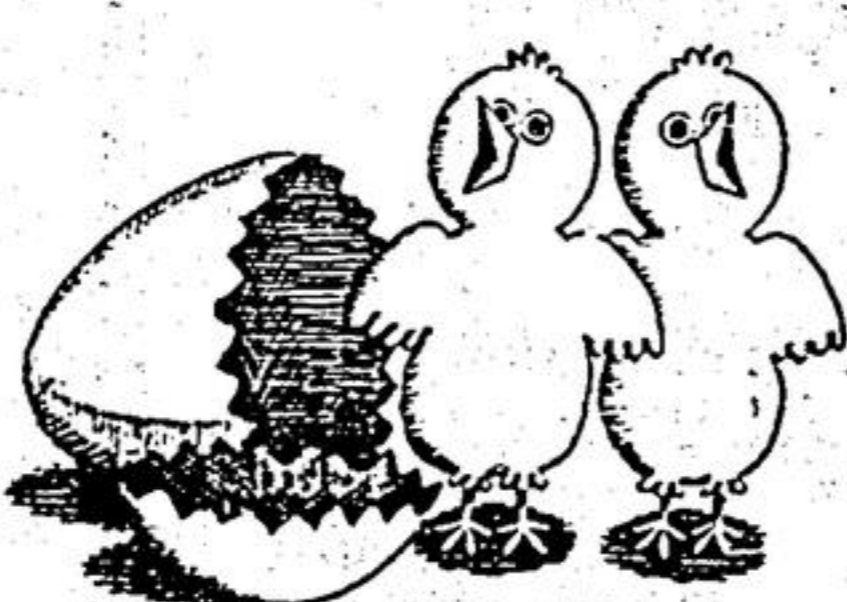

This Series retains all the traditional features which make Canada Savings Bonds Canada's most favoured investment.

They are still easy to buy for cash or on instalments where you work, bank or invest.

You may buy as little as \$50 or as much as \$10,000. Every Canadian resident may buy up to this limit. So can estates.

They are still simple to cash, anytime, at any bank in Canada for their full face value plus earned interest. Just fill out the redemption form on the Bond, present it to your bank and you'll get your money right away.

And now they're better than ever to keep with the highest interest yield ever and interest on interest. **DOUBLE YOUR MONEY** with Canada Savings Bonds Centennial Series.
