

# FATHER OF FOUR IS KILLED WHILE WORKING UNDER CAR

By MAY E. BROWN  
**GREENWOOD** — Funeral services were held on Saturday afternoon for Clarence Douglas Mapes who met his death while working under his own car. The bumper jack slipped letting the car down suddenly and crushing the victim's head underneath the transmission. Deceased was a resident at lot 14, concession 4, Pickering. He had worked

for various firms in the area, most recently with Highland Creek Sand & Gravel. Besides his wife, the former Olive Crittenden, he leaves three sons and a daughter, Carl, Keith, Robert and Karen. Rev. T. H. Fleetnam conducted the funeral with interment in the Brougham Cemetery. Sunday saw the annual white gift church service with Mrs. M. N. Pegg, Supt.

and Rev. T. H. Fleetnam in charge. Parents and friends were guests of the Midget and Pee-wee baseball teams for a Christmas party at Red Wings Community Centre.

The boys received new jackets and the coaches, Doug Morden and Hal Pegg were presented with initialled wallets. Clarence Cole is in Ajax Hospital with pneumonia following the mumps. The Boy Scouts are selling Christmas trees at the general store, the Paddock and Doug Morden's. Mr. and Mrs. Jack Perkin of Vineland spent a couple of days last week with his brother, Mr. and Mrs. T. B. Perkin.

The United Church was the scene of a quiet wedding on Friday evening when Anne Eleanor, daughter of Mr. and Mrs. Sidney Pugh became the bride of Ralph James Neal Jeffers, son of Mr. and Mrs. Charles Jeffers of Scarborough. Rev. T. H. Fleetnam performed the ceremony. The bride and bridesmaids wore street length dresses of turquoise blue with matching accessories. The groom was supported by Mr. N. Wotherpoon. The reception was held at the Guild Inn, Scarborough. Sunday School members are holding a Christmas carol service on Sunday evening, Dec. 18.

Fairyland, December 30, in the Queen Elizabeth Building of the C.N.E., is jam-packed with animation and movement.

Entering by the north-east, the first visible sign is a clock tower which counts down the number of days to Christmas. The clock is set

in the centre of a turntable of marching soldiers. The tempo increases inside with displays of miniature racing cars, an intricate model railroad exhibit, a sound and light presentation on Expo 67's amusement area, animated toy displays of dolls and games, a continuous children's fun theatre and baking demonstrations from 100 years ago.

There are several exhibit areas which have animation built into a display such as the working water wheel on the farm building and the blades on Peter's Dutch windmill. One exhibit that is bound to keep visitors guessing is the Mad Hatter's Boiling Teapot. Suspended in midair, the teapot pours tea continuously and the cup never overflows.

## Christmas Program Dec. 17
