

Youth Tribune

Eighteen year old Beth Paisley, a grade 13 student at Stouffville District High School is The Tribune's pick this week of 'the typical teenager'. —Staff Photo.

Portrait Of A Teenager

STOUFFVILLE — She smiles and an entire room lights up. Her name is Beth Paisley, an eighteen year old grade 13 student of Stouffville District High School. She's the first in a selected series of photos and stories to be published by The Tribune, depicting the life, interests and aspirations of 'a typical teenager'.

Beth has always lived in Stouffville; the eldest daughter of Mr. and Mrs. Bert Paisley, Main Street, East. She enjoys the company of three sisters, Jackie, 17, Marlene, 14, Dianne, 8 and three brothers, Rick, 20, Ray, 15 and Donnie, 4.

Although the completion of her grade 13 is her current goal, Beth is already thinking beyond that accomplishment. She hopes to enroll in University and acquire a B.A. degree.

Beth, a pretty blonde, whose hair rolls down to her shoulders, is an all-around girl, interested in all phases of teenage life including sports, studies and social activities. As an athlete, she captains the girls' senior basketball team and was a member of the Georgian Bay League Champions of two years ago. She enjoys bowling, dancing and plans to curl with the school league this winter at Rolling Hills. In 1965, she was head of the Athletic Council.

Beth completes three hours of homework every night. Her best subjects are math and French. Although she passed all her Christmas exams, she readily admits that 'it's the hardest year yet'. In Grade 9, she was the form representative and this year was selected a Prefect.

Due to additional studies, her social life is somewhat curtailed but she still finds time to attend the Ha' Penny Coffee House and on two occasions has visited the 'home' of folk music in Toronto's Yorkville district. Her favorite movie star is Dean Martin and recording artist, Ray Coniff. She's not fussy about the Beatles but likes the Monkees, the most recent singing rage. She doesn't believe in students "steady dating". Beth attends at the Stouffville United Church and, for three years, taught a Sunday School class.

If eighteen year old Beth Paisley is typical of 'a typical teenager', then Stouffville can be justly proud of its young people.

High School Glee Club An Active Organization

BY TED TOPPING 12C. STOUFFVILLE — This year, the Glee Club has been one of the most active organizations in the school. Since September, we have been constantly working on music for one performance or another. We sang at Commencement Exercises in October and the Remembrance Day assembly in November. December brought our annual show, 2 plus 2 equals 5 which returned double the amount of money that the Student Council donated. An unbelievable amount of work went into that show and all the music was learned in the week interval between Christmas exams and show day. The scenery was completed in four days. Also, in December, we sang at the Christmas meeting of the United Church Couples Club and at the Christmas Assembly. On Boxing Day, a number of Glee Club members sang at the Parkview Home. Looking forward into 1967, we will sing at a school assembly commemorating the birthday of Sir John A. Macdonald. With the profits from 2 plus 2 equals 5, we will be planning a number of trips to musical plays or concerts at O'Keefe. We also plan to sing at district churches during Easter. Certainly, not too much is lacking in the way of "School spirit" as far as the Glee Club is concerned.

Ha' Penny Anniversary

STOUFFVILLE — During the Christmas holidays, the Ha' Penny Coffee House in the Anglican Church celebrated its first anniversary with a special program. Despite terrible weather, at least 85 people many of them adults, sponsors and invited guests attended. Performers were once again, Vikki Taylor and her harmonicaist Manfred, and a surprise bonus in talented Doug Brown. Many changes have been made. It is hoped that its second year will be equally as good.

The Ha' Penny's first season, has been successful. Many changes have been made. It is hoped that its second year will be equally as good.

Rolling Hills Curling

Tuesday, January 3, (Ladies' League)
Alice Cossey over Marg Coffey; Minnie Ayling over Jean Giles; May Gurney over Grace Murray.
Wednesday, January 4 (Ladies' League)
Betty Cruikshank over Audrey Hodgins; Frances Chappell over Lou Mounce; Marcella Webber tied Laura Leary.

What's Happening At S.D.H.S.

STOUFFVILLE — "Grad Night" will be held, Jan. 27 and it is hoped that many people will come for an evening of entertainment. . . Feb. 9 and 10 are the dates released for Drama Night, in which will be presented the Shaw play "Arms and the Man." Much work is being done on this play and it is hoped that it will draw as great an audience as the recent presentation of "Cinderella." . . There is an ISCF Skating Party on Jan. 20. . . Feb. 16 is the date of the Valentine Dance. . . Tomorrow night (Jan. 13) a basketball game followed by a sock hop will be held at the school. . . The Newspaper Staff sold \$9.00 worth of Creative Writing publications. Another such publication is planned for the last term. . . The Yearbook Staff needs your literary works of art: poetry, essays, humorous writing. Particular emphasis is being placed on Centennial. The response from the Student body regarding the Yearbook has thus far been deplorable. . . The Science Club began one of its first objects with the showing of two films on light and sound. . . There is a chance that this year S.D.H.S. may not have a Senior Basketball Team. Let us hope that such an embarrassing situation does not become a reality.

Centennial Bonfire

BY DIETER SCHNELL STOUFFVILLE — The Centennial Year was successfully ignited by the Student Council sponsored bonfire on New Year's Eve. The committee in charge of this project were amazed at the cooperation given them and the tremendous response demonstrated by the public. As a representative of Stouffville youth, Randy Mole was proud to have been part of this project. Rev. A. Borland led the gathering in prayer. Mr. Lorne Boadway as Stouffville Centennial Committee Chairman, outlined some coming events and the ways in which the public could make Centennial Year Stouffville's proudest achievement. Mr. James MacKellar outlined some of the Town Council's projects. Randy Mole, Student Council President, then thanked all the students who under Alan Lee organized this event. We would also like to thank the Fire Department and Mr. Lehman for their assistance. It was obvious from the turnout at the bonfire that many people are interested in Centennial and I am sure that ideas from the public will be appreciated by the town committee. Likewise the S.D.H.S. Centennial Committee would appreciate student help in organizing an effective Centennial program.
