

The year 1967 will go down in Canadian history as the Year of the Big Birthday Party. One hundred years of Confederation in Canada will be highlighted by the individual and collective centennial projects from East to West, and the biggest of them all will be held at Montreal. Expo 67 will open its doors to the world April 28 to October 27.

A Year Of Pride For Canadians

Over 70 nations, plus a multitude of Canadian manufacturers, will contribute to making EXPO 67 the most magnificent fair the world has ever seen. In charge of the program is Pierre Dupuy (upper right). Also pictured at the top are Prime Minister Lester Pearson in front of the Peace Tower in Ottawa and Opposition Leader John Diefenbaker admiring a statue of Sir John A. Macdonald, Canada's first Prime Minister. The other pictures show some of the many pavilions with the bottom right being the reception square of the amusement area. At the bottom left is the overall Expo site plan. — TNS Photo.

Buttonville Girl Pilot Places Third In Rally

By JEAN LEAF
BUTTONVILLE — At a rally held at Buttonville airport, Saturday, 17 year old Peggy Anderson, a student at Bayview High School, placed third. She is the daughter of Mr. and Mrs. Bob Anderson of Richmond Hill who operate the restaurant at the Buttonville Port. Her father is a private pilot. Peggy received her private pilot's licence in 1966, the youngest girl in Canada to accomplish the feat. Recently, she passed her Commercial flight test with the Department of Transport and is presently building up flying time. If her licence is granted, she will be the youngest commercial pilot in Canada. To hold a private licence, a pilot must be 17 and for a Commercial permit, 18.
