

Plan \$750,000 Hospital For Retarded Children

Select Stouffville Site

STOUFFVILLE — Plans will be presented before a special meeting of the Stouffville Council, Thursday evening (tonight) outlining a proposal to erect a \$750,000, two-hundred bed hospital for retarded children on a 10-acre site, south of Main Street.

Messrs. Fred LaFontaine and Bernard Kennedy, both of Scarboro, indicated that work on the structure would begin immediately after all necessary approvals had been received. The location, on Ninth Line South, across from the Stouffville Floral Company, is zoned to accommodate an institution of this kind. Unanimous approval was received from Stouffville Planning Board, March 9.

New Public School Coming In '68

STOUFFVILLE — A new public school for the Village of Stouffville is a possibility in 1968, Clerk Ralph Corner told a meeting of Planning Board, Thursday night.

Mr. Corner said he had received a communication from the Board indicating that a new building would be required regardless of residential development within the town. The cost was estimated at \$200,000.

Board Chairman, Reg. MacKay said, that in his opinion, the Board should at least acquire a school site as soon as possible. The suggested location was not revealed although some members felt that it might be in the east end of the village.

The Council will hold a special meeting with the Public School Board on Thursday evening (tonight) when details on both the 1967 budget and future student accommodation will be discussed.

Hospital For Retarded Children Proposed For Ninth Line South, Stouffville

The erection of a 200 bed hospital for Retarded Children has been proposed for a ten acre lot on Ninth Line South in Stouffville. The building, to cost an estimated \$750,000 would be erected according to plans as provided by the Ontario Department of Health. The project, that meets with zoning requirements in the area, was approved by Planning Board March 9, and will now be discussed before Council.

STRICT SUPERVISION

Although the hospital would be privately operated, Mr. Kennedy said that strict supervision would be maintained by the Ontario Department of Health. Mr. LaFontaine operates a similar centre in Sunderland in addition to a hospital in Port Hope and two nursing homes in Pickering Township. The majority of children are bed patients although some are confined to wheelchairs.

The project would employ an estimated 100 residents from the community and would pay full taxes. It would be dependent on Stouffville physicians for medical service.

Mr. Kennedy said that if work could be started soon, the building would be completed by early August.

Mr. Kennedy said that he had received excellent co-operation from the chairman of the Industrial Committee, Mr. C. E. Hendricks, member; Walton Todd and the Clerk, Ralph Corner. He said that they had looked at properties elsewhere but were satisfied that Stouffville had the most suitable site.

"It's obvious here, that you want industry. You have a well-planned community."

Mr. Kennedy said he was aware that a portion of the Ninth Line was not paved and the property was not served by water or sewers. He said he hoped some co-operative agreement could be worked out with the Council to overcome this problem.

Father and Son Both Pass Away Within Week

STOUFFVILLE — Edward Lintner passed away on Saturday evening, Mar. 11, after attending the funeral for his son, Harry Lintner, that afternoon. Both were lifelong residents here.

Harold (Harry) Lintner, 394 Glad Park Avenue, died on Thursday, March 9. He was born here and received his schooling in Stouffville. Deceased had been a car salesman for many years and had been employed in Markham most recently. He was a veteran of World War II and an active member of the Stouffville Legion.

Besides his wife, the former Mary Lunau, Mr. Lintner is survived by three daughters, Ann (Mrs. Peter McNeven) and Margaret (Mrs. Fred Abraham), Cameron, and Sharon at home. There is one son, Paul, also at home.

The funeral on Saturday afternoon was conducted by the Padre of the Stouffville Legion, Rev. George Davison. The floral tributes were magnificent and attested to the popularity of this young man and the high esteem in which he was held by his military comrades. All the pallbearers were fellow veterans, William Malloy,

years he had been living with his daughter Mrs. Jack Hass at Elmira.

Deceased was identified with the Baptist Church when this denomination occupied a building just west of Summitview School. He was an active church worker and Sunday School Superintendent for a number of years. Mr. Lintner had also been a member of the Oddfellows Lodge for over 25 years.

Mrs. Lintner, the former Ruth Burkholder, predeceased her husband many years ago. There survive five sons, Charles, Stouffville, Ted, Dunbarton, Bruce, Toronto, Roy, Kitchener, George, Toronto, and one daughter, Edna (Mrs. Jack Hass), Elmira. One brother Elwin, lives in Montreal.

The service on Tuesday afternoon was conducted from the O'Neill Funeral Chapel by Rev. Gordon Gooderham. The pallbearers were, Grant Turner, Fred Castle, Bert Clarkson, Lloyd Hoover, Frank Yake and Don Lehman. Interment was made in the Stouffville Cemetery.

Barbershop Harmony

STOUFFVILLE — A colorful program of barbershop harmony will be featured in the auditorium of Stouffville District High School on Saturday evening, March 18, at eight o'clock. The event is sponsored by the Stouffville Lions' Club and all proceeds will go to the Centennial Events Committee.

The musical group, known as the 'Chorus of the Bluffs', will also feature three quartets.

The all-male singers were Ontario District Champions in 1965-66. Admission is adults, \$1.25 and students, 75c.

Barn Fire

MARKHAM — A 21 year old expectant mother, entered a smoke-filled barn on the 7th concession, Markham-Township, and was able to drive out three Hereford beef cattle, located inside.

Mrs. Beverly Brown said that when she reached the frame structure, the top storey was ablaze. She was unable to reach a pony but later learned that it too had been rescued by firemen from Markham Village. The barn, a total loss, was the property of Louis Systma but the livestock belonged to Mr. Gary Brown.

Volunteers remained on the scene for almost two hours. Water was trucked in by a tanker from Vaug-

han Township. Children playing with matches were blamed.

New Post
 MARKHAM — Rev. Albion Wright, minister at St. Andrew's United Church, Markham, for the past five years, has accepted the position of executive director of Cedar Glen Conference Centre near Bolton. He assumes the post, July 1.

Rev. Wright announced his decision from the pulpit, Sunday morning.

Rev. and Mrs. Wright and family plan to take up residence in Richmond Hill.

Lemonville-Smithy Twenty-Five Years

STOUFFVILLE — The death occurred in the Brierbush Hospital on Saturday, March 11, of George Munro Martin, Main St., who had plied his trade as a blacksmith for a quarter century. He had been shaken up when struck by a car on Main St. several months ago, but had been in failing health for some time. Deceased was in his 80th year.

Mr. Martin was born near Udon, and in addition to being Lemonville's blacksmith had spent an equal time in Toronto as a stationary engineer. He was a member of the Oddfellows Lodge and was

identified with the United Church.

He is survived by his wife, the former Mabel Welsh whom he married in 1928. There is one son Keith, of Agincourt and two grandchildren, Billy and Brian. Deceased is the last of a family of eight children born to the late George and Sarah Martin.

The service from the O'Neill Funeral Chapel was conducted Monday afternoon by Rev. Douglas Davis. The pallbearers were, Norman Anderson, Ewart Baker, Russell Miller, Bill Miller, Morley Feasby, and Arnold Welsh. Interment was made at Uxbridge Cemetery.

Council Approves Own Pay Boost

PICKERING — On a split vote of 4 to 3, Pickering Township Council members have given themselves a pay boost for 1967.

Reeve C. W. Laycox will now receive \$3,500, an increase of \$500, plus \$1,200 for expenses, up from \$1,000.

The Deputy Reeve and five Councillors will each receive \$18 per day, an increase of \$3.00. In addition they will receive 10c per mile travelled on township business, and one-third shall be deemed as expenses, not exceeding \$2,000.

Deputy Reeve Jean McPherson and councillors Ronald Chatten and John Williams voted against the motion. Supporting it were Reeve Laycox and councillors Harvey Spang, Donald Beer and Norman Waller.

The Willows Leased

STOUFFVILLE — A ten year lease has been acquired on The Willows Golf and Country Club at Mongolia with an option to purchase the popular 18 hole course from the present owner, Mr. Arthur Latcham.

John Lally, former head pro at West Hill and currently operating a golf school at Cedar Brae, will take over the property as the Pro-Manager, teaming up with Paul Willson of Toronto.

Mr. and Mrs. Lally plan to move from Scarboro and take up residence in the Stouffville area. Mrs. Lally is the former Ann Sheridan, Stouffville RR 1.

High School Costs Increase \$58,000

GOODWOOD — Resident ratepayers in Uxbridge Township will feel the education pinch in 1967 to cover their share of costs in the High School Area that includes both Port Perry and Uxbridge Town.

Board member, Lorne Tindall jolted council members, Monday when he explained that \$133,000 would be charged against the township as compared with \$75,000 last year.

A breakdown of the '67 budget shows a salary increase of \$156,878 as well as other additional expenses down the line. The

total cost is up almost \$300,000, to be shared by all municipalities in the Area. Mr. Tindall said that the balance on hand in 1966 was over \$120,000 but this had been reduced to \$34,500 this year.

Clerk Elwood Foskett said that based on the increase in high school education costs alone, the township tax rate would be up by more than 11 mills.

Mr. Tindall said that Port Perry Council had rejected the Board's demand. Uxbridge Township also declined approval.

\$4,000 Needed To Put Civic Fund Over The Top

The Stouffville Centennial Civic Fund is slowly climbing, but another \$4,000 is needed to put the project over the top. The number of individual contributors is growing but before the fund closes, the committee hopes that several hundred more will join in this centennial effort.

Tenders for the work are being called next week so that every effort can be made to complete the new town centre by July 1.

Contributions will be gratefully accepted at either bank in Stouffville, the Credit Union or The Tribune.

Sheep Killed

GOODWOOD — A claim for \$300 to cover the cost of six pure bred sheep slaughtered by dogs on the property of Norman D. Hogg, has been rejected by Uxbridge Township Council.

The policy is to pay only current market value which will amount to \$150.

Scarlet Fever Prevalent Here

STOUFFVILLE — There are several cases of scarlet fever in Stouffville but doctors claim that there is no cause for panic.

Dr. R. Blair Mitchell said that 30 years ago it was considered serious but not any more. He said that penicillin will control the disease within a period of 12 hours and also act as a preventative if taken early enough. He said that quarantine procedure still holds but could soon be withdrawn by the County Health Unit.

Dr. Douglas Brodie agreed that there was no cause for public concern. "Fear of the disease date back to the dark ages and the old bugaboos have been handed down through generations," he said. If treated properly, he said it was no more serious than a severe sore throat except it is accompanied by a rash.

Brothers Compete For Student Beard Growing Honors

Although long hair and short skirts are frowned on by staff teachers at Stouffville District High School, student beards are all the fashion in this, Canada's centennial year. Competition is becoming quite keen, not only among boys, but also among brothers. Percy (left) and Neil Wagg, Mill Street, Stouffville, let grade 13 student Beth Paisley be the judge on just who has produced the fuzziest face to date.
