## Industry Needed

UNIONVILLE — A plan for a sizeable expansion to the present Varley Village subdivision in Unionville, presented before Markham Township Council, Monday, was rather coolly received by Reeve Stewart Rumble.

The number of proposed homes was not revealed but the delegation, representing Hengran Developments Limited, suggested that the work would not proceed until 1971.

Reeve Rumble said he was not prepared to sanction any further residential buildup without a guarantee of both industrial and commercial assessment to back it up.
