

Well Known Hood Farm Sold

By JEAN LEAF
BUTTONVILLE — The well-known Hood farm at Buttonville has been sold. Mr. and Mrs. Doug Hood and Isabel will move to their new home in Markham early in May. The farm has been purchased for a golf course, and earlier acreages went for the airport and subdivision lots bordering Don Mills Road. An auction sale will be held, May 6.

The Jim Hoods and Mr. Wardle have moved to their new home on Perth Avenue, and we have new neighbors in their former house on Don Mills Road.

Mr. and Mrs. Norman Reid and Mr. and Mrs. Pat Reid spent the Easter vacation motoring to Florida for an early taste of spring.

Mr. and Mrs. James Grant celebrated their 21st

wedding anniversary with a trip to New York recently.

Dick Jones is trying a new vocation—driving a school bus with the Norman Reid line. Competent drivers are very difficult to find, so Mr. Jones, who has years of commercial driving experience, has agreed to take time out of his busy days at the store to be a piper of the road.

Dr. and Mrs. George Kelly were guests at the Richmond Hill Agricultural Fair dinner at the Yangtze Pagoda Friday evening. Dr. Kelly has been honorary veterinarian at the fair for many years.

Congratulations to John Mitchell who celebrated his 7th birthday on April 9. His most prized gift was a "big big centennial

kite with a long ball of string."

Early Saturday morning a two-car accident on Don Mills Road south of No. 7 highway sent two drivers to Scarborough General Hospital with multiple injuries, and wrecked two cars. Involved were Anthony, 27, of Hamilton, whose southbound vehicle swerved into the northbound lane and collided head-on with a car driven by Henry Carter, 65, of Mortimer Avenue, Toronto. Mr. Carter suffered head, mouth, chest and wrist injuries; Mr. Taylor, who was released after examination had cuts to his mouth and wrist injury.

Brown's Corner
 Congregation To Purchase Manse

The Brown's Corners United Church building

committee was given permission Sunday morning to take the necessary steps to provide a manse, which will be necessary when the church becomes a one-point charge on June 30 this year. Chairman H. L. Coleman explained that the committee has found it impossible to rent accommodation, and a house cannot be built in the time that remains before the first minister of the new charge, Rev. Christopher Dugan, comes to the community. One house being considered for purchase is on No. 7 Hwy., the fifth one east of the 5th concession.

Burning Rectal Itch Relieved In Minutes

Exclusive Healing Substance
 - Relieves Pain As It Shrinks Hemorrhoids.

If you want satisfactory relief from "itching piles"—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.

In case after case "very striking improvement" was noted, even among cases of long standing. And this improvement was maintained over a period of months!

This was accomplished by a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation "H". Ask for it at all drug stores—satisfaction or money refunded.
