Chamber Of Commerce Planned For Markham

MARKHAM — The need for a Chamber of Commerce in the rapidly expanding Village of Markham was discussed at a meeting held on March 29 in the offices of Mr. Don Hindson. Present were representatives of many local organizations, including Mr. Reef Wilson and Mr. King Nichols of the Main Street Businessmen's Association, Mr. Robert Leask and Mr. Joe Osborne of the Markham Jaycees, Mr. Don Hindson of the Lions Club, Mr. Roy Jackson of the Kiwanis Club, Mr. Ed Jewett of Chesebrough Ponds, Mr. Ian Hume of the Wellington Way Businessmen's Association, Mr. Bill Nimmo of the Rotary Club and Mr. Lloyd Abernethy of the Town Council.

Because many inquiries are being received concerning the growth and potential of Markham Village, it was agreed that

every effort should be made to establish a Chamber of Commerce here. To this end there will be a meeting held at 8 p.m. Wednesday, May 10 at Franklin Street School. A guest speaker will show films from the Canadian Federation Chamber of Commerce to give some insight into the organization and operation of such a body.

It is anticipated that a slate of directors, including a president, a vice-president, a secretary, and a treasurer will be selected from a cross-section of interested citizens. Anyone who has a keen interest in this community and is willing to stand for election is asked to contact one of the gentlemen mentioned above.

The meeting of May 10 promises to be an important one for the future of Markham.
