

# Pupil's Hand Crushed Under School Bus Tire

**By JEAN LEAF**  
**BUTTONVILLE** — John Donaldson suffered a painful injury last week at the entrance to Buttonville school. The six year old was attempting to put a stone under one wheel of the vehicle when the driver pulled ahead. The little lad had his one hand badly crushed. He was admitted to Scarborough General Hospital.

**NEIGHBOURHOOD NOTES**  
 The Steffler family welcomed John home early last week and on Sunday there was a celebration with relatives to mark the event. John, who graduated as an Ontario scholar from Thornhill Secondary School last year, has spent the past 9 months travelling in Britain, Europe, Africa and the middle east. Among the guests last weekend were Mr. and Mrs. Jack Hickey of Galt.

Mary Champion has returned home after completing her first year at Queen's University, Kingston, but her vacation will be brief. Very shortly Mary will go to Montreal for the summer to work in the Ontario Pavilion at Expo-67. Alvin (Jack) Robinson has been a patient at York Central Hospital.

Congratulations to Graham Scott, the student minister on the Victoria Square Charge for the past two years, who received six awards at graduation ceremonies for Emmanuel College students at Convocation Hall.

**SUNNY DAY FOR HOOD SALE**  
 Temperamental weather we have had this spring, but for the auction sale at the Hood farm last Saturday which saw the end of farm life for another pioneer family of the area, there was bright sunshine. Antique buffs gathered early, long before the 1:00 p.m. sale hour, and many were still there until 5:00 p.m. Early this week Mr.

and Mrs. Douglas Hood and Isabel moved to their new home at Markham, and the Hood farm bordering Buttonville airport will become a golf club.

**125TH ANNIVERSARY SERVICE**  
 Congregations from Headford and Victoria Square joined with Brown's Corners friends last Sunday morning, May 7, for their 125th anniversary service.

Rev. Dr. A. F. Binnington conducted the service, and introduced the guest speaker, Rev. Barry Dunbar, B.A. of Burlington, formerly a student minister at Zion Church, Cedar Grove. There was also special music by the senior and junior choirs, under the direction of Mrs. Clayton Jones and Mrs. George Hooper with Mrs. Donald Reesor, organist.

Next Sunday evening, following the Family Day service at 11:30 a.m., the Anniversary celebrations will continue at 7:30 p.m. when there will be a choral program presented by members of the Scarborough A.O.T.S. Choir, under the direction of Sid. Bagnall who directs the Scarborough Barbershoppers.

**MILLS — TOOLEY**  
 Brown's Corners United Church was the setting for a pretty spring wedding on Saturday, April 29, 1967, when Sandra Bernice Tooley, daughter of Mr. and Mrs. Roy Tooley of Milliken and William Thomas Mills, son of Mr. and Mrs. Thomas Mills, Newmans, Scotland, were united in marriage. Rev. Dr. A. F. Binnington officiated at the double ring ceremony; Mrs. Donald Reesor was organist and Mrs. Clayton Jones sang O Perfect Love before the service and A Wedding Prayer while the bride and groom were signing the register.

Given in marriage by her father, the bride was lovely in a traditional gown of chantilly lace and peau de soie, fashioned on empire lines. The lace bodice featured a jewel neckline and lily point sleeves. The peau de soie skirt was ankle length and from a brief sleeveless jacket. Her veil was caught to an apple blossom headpiece, and she carried a nosey of white pompons and sweetheart roses.

The maid of honour, Mararet MacFahall and bridesmaids Elizabeth Gibson and Sheila Ash wore long empire gowns of nylon sheer over aqua figured silk topped by sleeveless jackets falling to chapel trains. In their hair they wore self roses with veiling and they carried crescents of blue figgimums with yellow cascades. The men in the wedding party wore white jackets and black trousers. George Cuthill of Toronto was best man, and ushers were Ian O'Connor and Wayne Tooley, brother of the bride.

The bride and groom spent a brief honeymoon and later will pay a visit to the groom's parents in Scotland.

For travelling the bride chose a white suit with navy and white polka dot trim, matching hat and black accessories. For the present Mr. and Mrs. Mills will live on Woodbine Avenue, but after their return from Scotland later this summer they hope to locate in Scarborough.

Wedding guests were from Lindsay, Toronto, Brampton and locally. Among those attending were the bride's grandparents, Mr. and Mrs. Gordon Tooley, Mr. and Mrs. George Tooley and Juanita, Mr. and Mrs. James Tooley, Mr. and Mrs. Fred Tooley, Mr. and Mrs. Dean Brumwell and Mr. and Mrs. Norman Tooley of Agincourt.

**UCW GUEST SPEAKER**  
 1967 is the 50th anniversary of votes for women in Canada, Mrs. Wm. Champion told UCW members at Brown's Corners United Church when she addressed the group.

It was in 1917 that women with husbands or close relatives involved in the first world war were permitted to vote. On May 24 of this year a special stamp will be issued to commemorate the occasion.

Agnes McPhail was the first woman to gain a seat in the Ontario parliament, and the first woman elected to the Federal House in 1958.

Hostesses for the evening were Mrs. H. R. Paterson, Mrs. Jean Cook, Mrs. James McQuay, Mrs. Kenneth Stotts and Mrs. Jack Gough. Mrs. Henry Pieterse, president, chaired the meeting and Mrs. S. J. English played the piano, accompanying Mrs. Clayton Jones and Mrs. Ray Grant in a duet.

**POLITICAL CAMPAIGN**  
 Mrs. Wm. Champion was hostess early last week when the Markham Township Women's Liberal Association members met at her home and endorsed Donald Deacon of Unionville as the Liberal Candidate in York Centre Provincial Riding.

Earlier Mrs. Robin Bush entertained at the third in a series of teas being sponsored by the Markham Township Progressive Conservative Women's Association, when candidates were guests.

## Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all — results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

## What Is The Biggest Complaint Against Car Dealers?

The business of selling cars may not have any more faults than any other industry, but they are surely better published.

Finding out what the buyers think is a continuing part of auto merchandising, but by the factories who conduct national studies and most dealers who question their own customers with direct mailings.

Approximately half the buyers questioned on a recent national survey were completely satisfied with their dealer. Of the remainder, the bulk of the complaints are connected with the standard of servicing.

One quarter of all buyers said they would not recommend their dealer to others due to poor service after the sale; 44.2 per cent complained of warranty dissatisfactions and 30 per cent of inadequate pre-selling of the new car.

Who is to blame? Apparently some car dealers who sell without regard to their customer's future service satisfaction. But there are two sides to the problem.

A hard-bargaining buyer who loses sight of all else but price cannot help but encourage a type of dealer who caters to his terms in order to make the sale.

If a low price alone is needed to win the buyer over, then the dealer may meet the buyer's price by short-changing him on service or some other part of the deal. The dealer will then have solved his problem of making the sale, but the customer's problems will have only begun.
