

Markham High School Centennial Queen and Attendants

\$4,000 Goal Set For Centennial

CLAREMONT — A goal door-to-door fund raising of \$3,500 has been set by the executive committee of the Claremont Centennial in a current canvass. The executive would like to make it clear that the money raised will be used only for improvements to the Community Park through the purchase of needed playground equipment and improvements to the refreshment booth. Plans also include improved washrooms, horseshoe pits, a shuffleboard and a picnic shelter. The centennial project has nothing to do with the proposed parkette at the Four Corners. This is being looked after by the Village Trustees. The Centennial Committee hopes that town residents will be as generous as possible so that the planned park program can proceed.
