Tennis Registration

At Town Courts, May 20

STOUFFVILLE—Student registration for tennis instruction will be accepted at the Stouffville courts on Saturday morning, May 20 from 10 a.m. to 12 noon.

Public school pupils in Grades 6, 7, and 8 are welcome to enrol along with boys and girls of high school age. No fee will be charged.

Instruction will be provided by Mrs. Sheila McLeod, Main Street East, Stouffville. It is her centennial project. Mrs. McLeod is well qualified to take on this chore. She is a former coach of the Scottish Lawn Tennis Association, an Instructor in the Scarboro Park and Recreation Association and a former ladies' singles champion in Scarboro.

EQUIPMENT PROVIDED

Sufficient number of rackets and balls have been made available but persons who own their own equipment are asked to bring it along. Donations of equipment no longer in use by town residents would also be appreciated. All players are required to wear running shoes on the courts.

Once the program is put in operation, tournaments may be arranged. Adults are welcome to play and personal instruction will be provided when time permits. "We want to concentrate on the young people and get them started in the game," said Mrs. McLeod. "These are your adult players of the future."

The courts will remain public and the formation of a Tennis Club will not be attempted this year.
