For five year old Dean Reher, a broken arm is a handicap, especially so close to holiday time. However, it gave Bobby Hull an opportunity to add his famous name to the cast. —Staff Photo.

To climb aboard a farm tractor is the ambition of most children. But for 5-year old Gary Hill and his sister, Janice, 3, it was a double treat to share company with Bobby Hull. They are children of Mr. and Mrs. Grant Hill, Claremont. —Staff Photo.

'Ha'penny' To Be Open All Summer

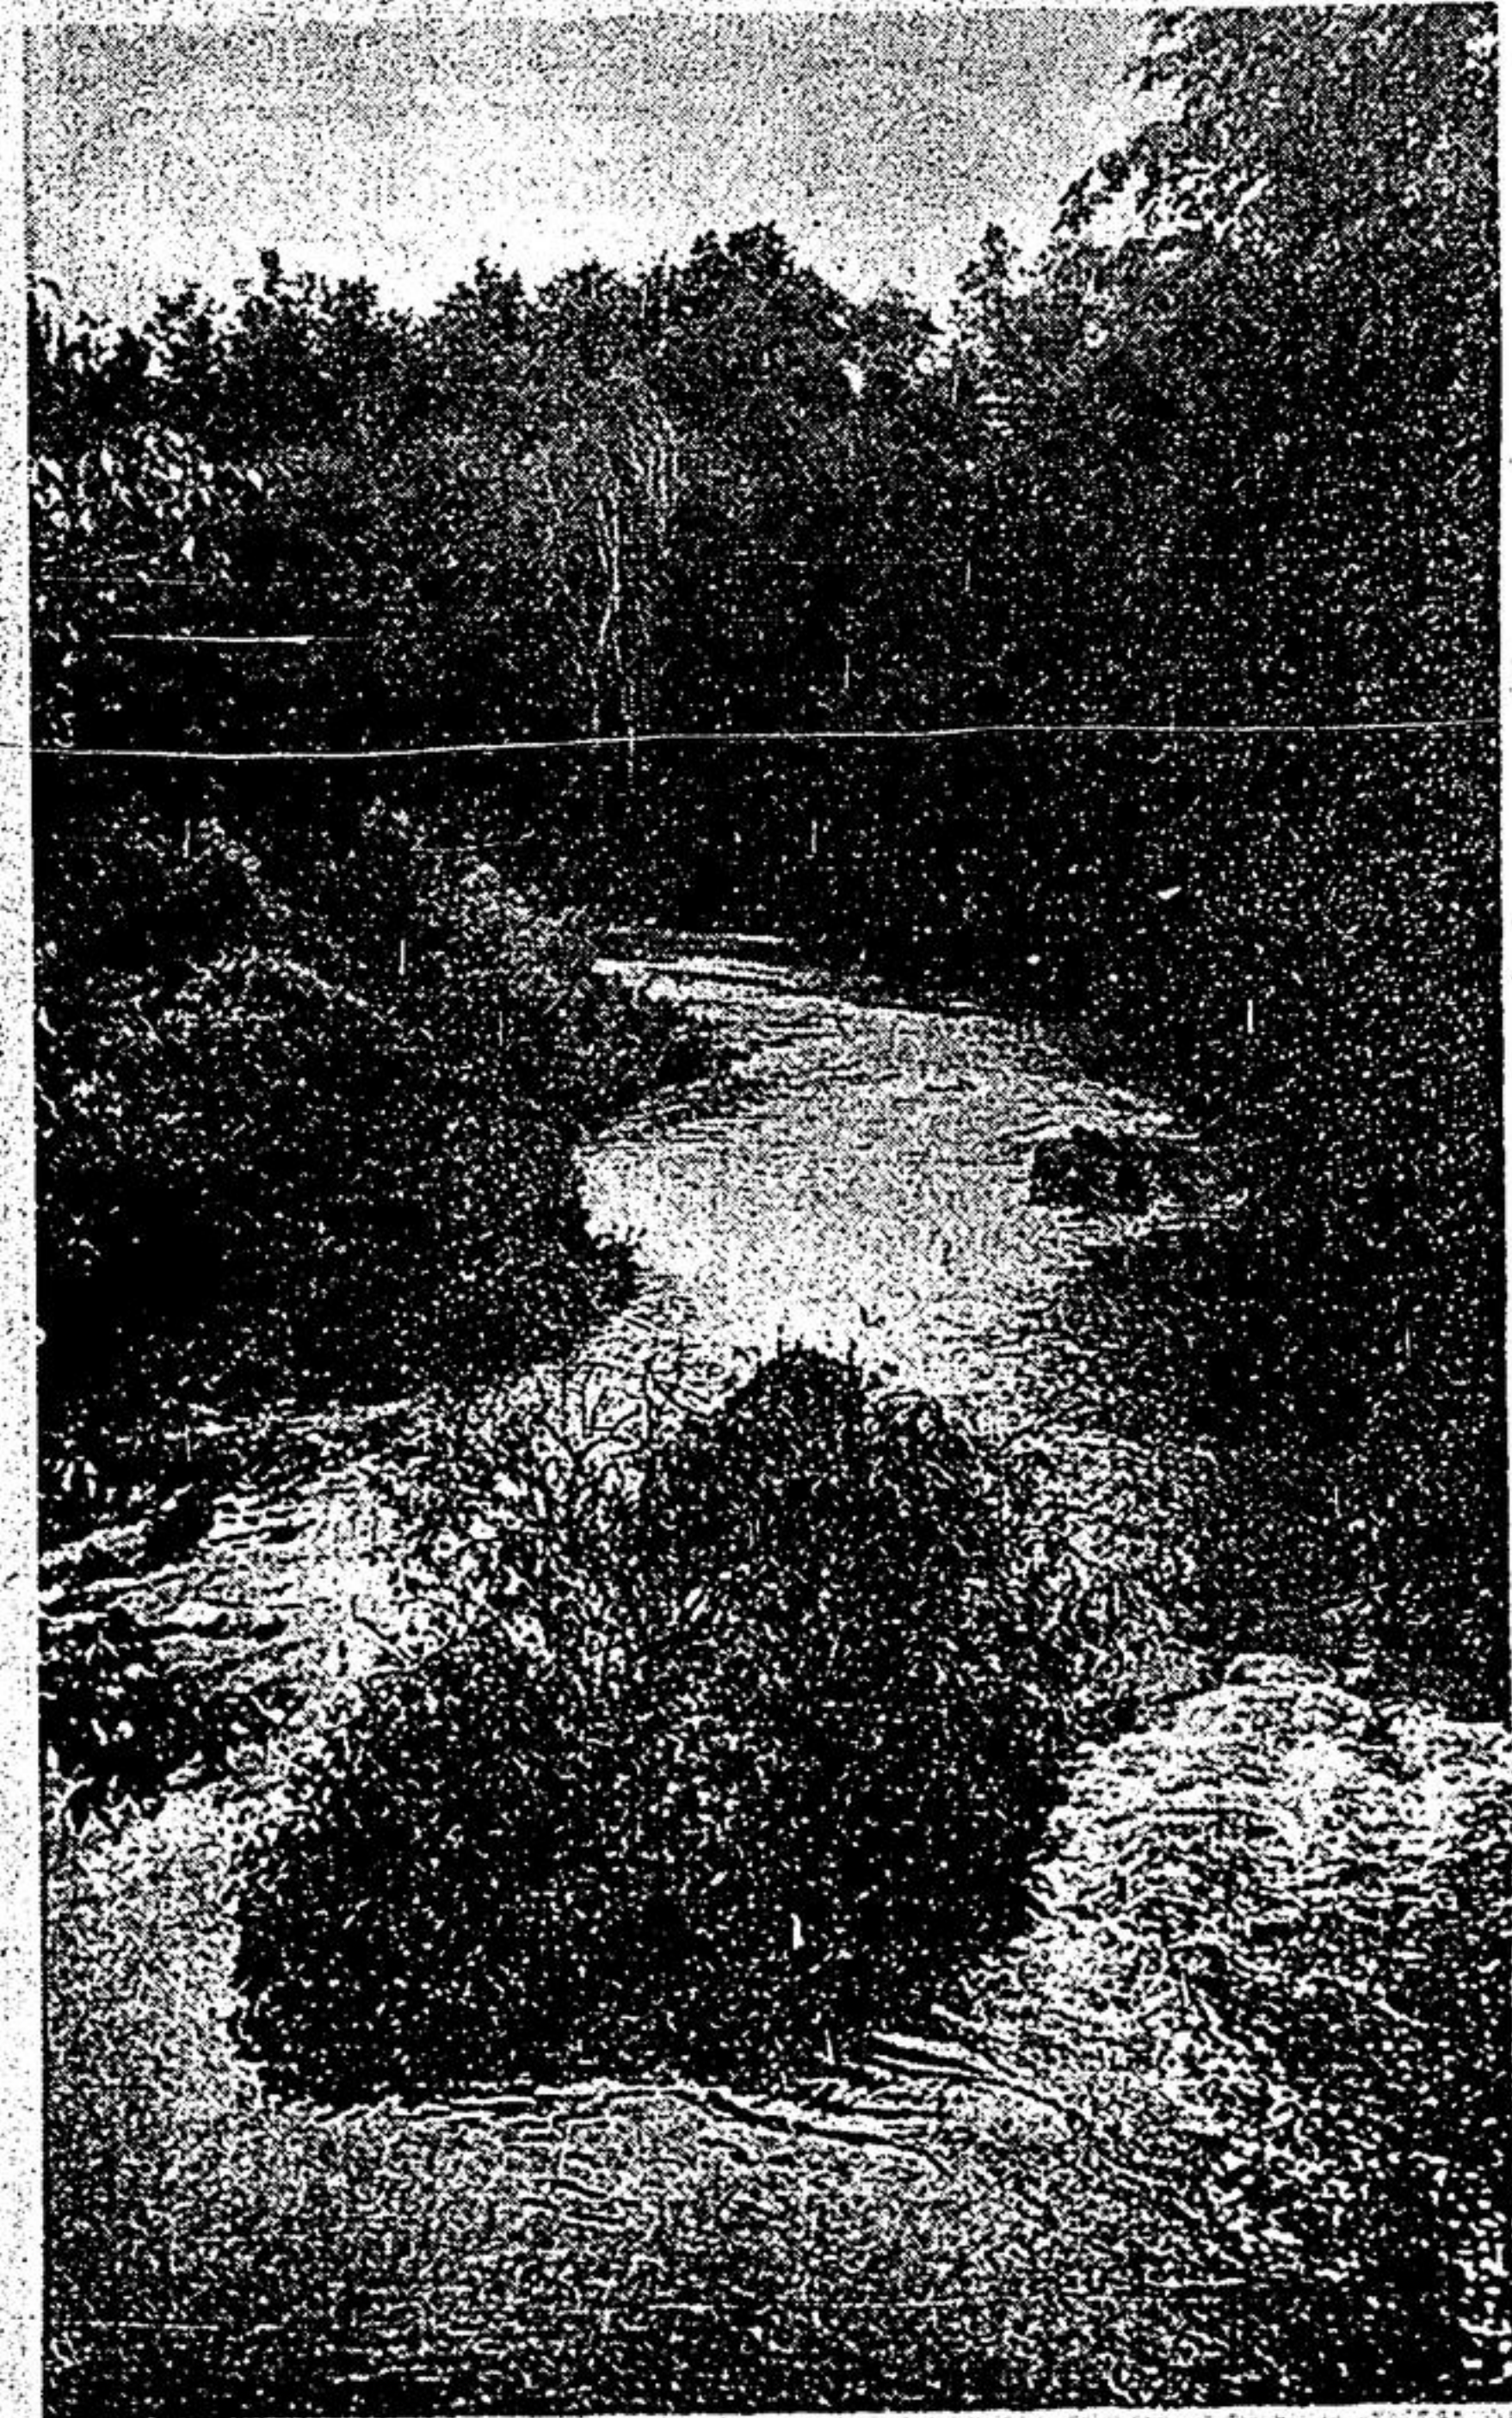

STOUFFVILLE — The most successful youth project, organized and operated by young people, may be continued throughout the summer vacation period.

This recommendation was presented following the gathering Friday night. It has been suggested that an alternating program of coffeehouses and Discotheques should be promoted during July and August. Reduced admission prices will be offered since it may not always be possible to obtain top entertainment on such a regular basis. Regardless, a good time is guaranteed for all. Friday's get-together was excellent in spite of the rain. Michael Stanbury was the guest and his friendly, good natured personality has made him exceedingly popular with the crowd. He obliged by singing an extra set of songs. Numbers included: 'Showdown', 'Big City Blues' and 'Sweet Sidney'.

VANDORF—Martin Kramer, R.R.2, Aurora, pleaded guilty to a charge of hunting in Whitchurch Township without a licence. He appeared in Richmond Hill Court, Friday, and was fined \$10 and costs.

George Love, an official of the Department of Lands and Forests said that the accused was actually guilty of two offenses since he was found shooting groundhogs on a Sunday. "Licence or not, you can not hunt on Sundays," warned Magistrate Russell Pearse "and make sure you go to the township police department before you hunt anywhere in the municipality."

Hunting - Never On Sunday!
