Six Titles To Orchard Park

STOUFFVILLE — Orchard Park, St. Mark's and Lemonville schools swept the championship field Saturday in the first inter-area Track Meet ever held here.

Athletes from thirteen senior schools had been invited to participate and competition in some divisions was extremely keen. Entries from Orchard Park shared in six of the trophy presentations, including a tie in the class for Junior Girls. Lemonville students did well with two winners and St. Mark's had one.

A unique feature in the handing out of awards was the presentation of the Stouffville Public School Board Trophy by trustee, Mrs. Rose Barry. It went to her 12 year old daughter, Sharon, the Intermediate Champion. The only tie occurred in the Junior division between Kim Hassard of Orchard Park and Joanne Dodge of Lemonville. They received the Walter Atkinson Trophy.

Melvin Baker of the Whitchurch Township Area Board presented their trophy to Junior Boy's Champion, Mark Chamberlain, 10, of St. Mark's, Stouffville. Intermediate Boy's winner was Bill Hassard, 12, of Orchard Park. He received the Stouffville Centennial Committee Trophy from the chairman, Lorne Roadway.

Frances Smith, 14, of Lemonville won the Senior 'A' Girls' Championship and received the Maclean Furniture Award from Mr. Bruce Maclean. Keith Liedtke, 14, of Orchard Park led the Senior 'A' Boys and received the Sanders B-A Service Trophy from Bill Sanders Jr. In the Senior 'B' class, it was Jackie Wightman, 15, of Orchard Park who accepted the Stouffville Tribune Trophy from the editor, Jim Thomas. The Stouffville Bakery Trophy was presented to Senior 'B' Boy's champion, George Ham, 16, of Orchard Park by Mr. Bob Stover.

The competition, scheduled for completion June 17, had to be carried on into the morning of June 24, due to unfavourable weather conditions on the first day.

In spite of some minor problems on an initial venture of such magnitude, the organizers were commended for their work in setting up the Meet and seeing it through to a successful finish.

Another City Golf Club Here

BUTTONVILLE — Markham Township Council has approved of the proposal of York Downs Golf and Country Club to re-establish their 27-hole golf course on the 420-acre Glenburn Farms Ltd. at Unionville.

York Downs Club is one of the oldest in the city, located at the corner of Bathurst and Sheppard Avenue. The club has been offered over five million dollars for its Toronto property and has an option on the Unionville farm for \$950,000. The club directors have approved the deal and only await the sanction of the members.

This is the third city club to move into the near-by area as land prices skyrocket in Toronto.

Brougham Battles Goodwood To Tie

CLAREMONT — Brougham came up with one of their finest games of the season, Thursday night as they battled Goodwood to a 4-4 tie in seven innings.

Only a determined Goodwood rally in their final trip to the plate took a 2-point victory away from the Brougham boys. Goodwood counted two runs in the 7th.

Brougham led 4-1 at one point in the contest on solid hits by Paul White, Howard Malcolm, Murray Jones, Bernard Bucking and

Jim Lummas. Goodwood, led by Ron Stewart, Joe Barber and Wes Evans pushed two men across in the last inning. Ken May hurled for Goodwood with Grant Norton on the mound for Brougham.

Goodwood stranded 9 men on the base paths while Brougham marooned six. Goodwood had the 7th and Eric Barber park-winning run at third in the 8th on first with only one but Ron May and Gord Paisley were retired in a thrilling finish.
