A Danger Warning TO SWIMMING POOL OWNERS In Markham Township

Chemicals used in the sterilization of the water can be a potential Fire and Explosion hazard under many conditions now common to a household. The Fire Department in recent responses to calls for aid have found most owners unaware of the reaction of some chemicals to foreign matter, even soap on your hands.

To help keep you safe in the future the Fire Department of Markham Township have a detailed description of the above subject which all pool owners should have and read carefully.

TO GET YOURS CALL THE FIRE HALL OFFICE 297-2011

Do not call Fire Emergency Number. Leave your Name and Address then the report will be sent to you by mail.
