

Hold 'History In Action' Weekend At Brougham Museum

Parade At 1:30 p.m.

BROUGHAM—There will be plenty of action in the hamlet of Brougham this weekend — History in Action.

For the first time this event, now in its fifth year, will be held on two consecutive days, Saturday and Sunday. It started off as an experiment in 1963. Last year, it attracted more than 2,000 persons.

Activities will begin with a colorful parade on Saturday from the Brougham Park at 1:30 p.m. The procession will include everything from steam engines to horse and buggies.

A new attraction will be the appearance of the Canadian Indian Dancers in native costume. Ladies in pioneer dress will preside at home-made bake sales and refreshment booths.

All pioneer arts and crafts will be on display during the two days, including weaving, spinning, quilting, candle-making and sausage-making.

Of interest to both young and old will be a miniature locomotive, built by 86 year old Luther Kirby of Atha. An exact replica of the type used in the early 1900's, it will run on full steam on special tracks.

The chairman of the Pickering Township Museum Board is Robert Miller. Members are Harry Cook, Bay Ridges, Milton Parkin, Kinsale, Mrs. William Earle, Squires Beach; Bill Fox, Greenwood and Mrs. Elsa Story, Brougham.

On this, Canada's 100th birthday, the promoters are attempting to make History in Action the best yet. To improve on last year's show should, in itself, provide a real challenge.

Reformatory Sentence

PICKERING — A sixteen year old Pickering Township youth was sentenced to 12 months definite and 12 months indefinite in reformatory following a conviction by Magistrate Harry Jermyn on a morals charge against a six year old girl.

"We don't want you in society," Magistrate Jermyn told John McKenzie, "this is for the protection of every six year old girl in the area."

Mr. Jermyn said he had never had one so young come before him on such a serious matter. "You are in serious need of some personal discipline," he said. He recommended that the youth be sent to a treatment centre to receive some guidance.

A man's life is 20 years of having his mother ask him where he is going, 40 years of having his wife ask the same question, and at the end, the mourners are wondering, too.

Death By Injection

CLAREMONT — Stray dogs at the Pickering Township dog pound, will be destroyed with an injection of Pentathol in the future.

Pickering Township Council agreed to replace the present mode of destruction by shotgun, with the lethal injection.

Councillor Harvey Spang said the injections, administered by township staff, will cost about 22 cents each adding that this was just about the same price as the cost of shotgun shells.

Reeve Clifford Laycox said the euthanasia by injection would cause unwanted dogs to fall dead in their tracks.

John Johnson, Johanna, who was married here at the United Church and lived on a farm for some time before moving to Listowel with her husband.

Mrs. Della Moore, principal, has the same teaching staff at the Public School as was there last year. The only new addition is Mrs. Mary Esmonde of Uxbridge who will be in charge of a special class that has been transferred from Greenwood school. Mrs. Moore reports that 243 pupils have been enrolled for the coming year.

Elizabeth Bylstra, a former student at Claremont Public School, has received a high honor from the medical profession. She graduated recently from the Waterloo Memorial Hospital School of Nursing, and at the graduation ceremony was presented with the general proficiency award given by the medical society of the hospital. She will join the staff of the Waterloo Memorial Hospital. Elizabeth also attended Secondary School at Pickering. She is the daughter of Mr. and Mrs. Peter Bylstra, formerly of Claremont, and now operating a successful dairy farm three miles west of Listowel. She is also the sister of Mrs.

Mrs. Ronald Mason at 649-2332. Mrs. Delos McLeod, who has already been in Wellesley Hospital, Toronto, for the past two months, will have to remain there some time. Her room number is 635. Mrs. George Beverley and Mrs. MacMiddleton left last week on a 3-week bus tour to California. Mr. Beverley spent Sunday with his daughter, Mrs. Gordon Benson, and her family. Claremont Community Bowling League will resume Friday, Sept. 15, at 9 p.m. at Markham Bowling alley.

Leona Beryle Hanthorn Pretty Autumn Bride

By ANNE LONEY

CLAREMONT—A lovely early fall wedding was solemnized in the United Church on Saturday afternoon, September 9, 1967, when Leona Beryle Hanthorn, daughter of Mr. and Mrs. Bruce E. Hanthorn of Claremont, and Bruce Rodney Browning, son of Mr. and Mrs. William Browning of Orillia, took their vows before the Rev. A. E. Cresswell. Groups of pink and white gladioli and ferns were massed in front of the chancel. Mrs. Jack Hill was at the organ and Mrs. Clarence Colby of Uxbridge sang the Wedding Prayer before the ceremony began and The Lord's Prayer during the signing of the register.

The bride made a pretty picture as she came down the aisle on the arm of her father. She wore a full length traditional gown of imported alencon lace featuring a sweetheart bodice with a scalloped neckline and lily point sleeves. The bouffant skirt was styled with a cascade of flounces to the hem, and the exquisite headpiece was a crystal and flower arrangement of matching lace petals edged with seed pearls. A self bow held her bouffant veil of silk illusion and she carried a good-luck horseshoe bouquet of yellow roses and lilies of the valley. She was attended by her sister, Mrs. Peter Voss, as matron of honor with another sister, Mrs. Michael Burke, and a sister-in-law, Mrs. Robert Hanthorn, as bridesmaids. They were gowned alike in full length satin sheaths of aztec gold with an overlay of matching chiffon. Their headpieces were made of gold lace and gold flowers and their bouquets were tangerine and yellow carnations with gold streamers. The best man was Peter Voss and the ushers were Mark Wainwright of Whitby and Robert Hanthorn.

At the reception held in the Sunday School room of the church, the bride's mother received in a blue crepe and lace sheath with matching blue feather hat, black accessories, and a corsage of pink roses. The groom's mother wore a gold suit and hat with matching accessories and a corsage of yellow roses.

The bride's going away costume was of beige crepe with a chocolate brown lace coat, beige accessories, and a corsage of yellow roses. The motor trip to Northern Ontario was to an undisclosed destination. Upon their return Mr. and Mrs. Browning will take up residence in Orillia where the bride, who has been with the bank in Toronto, will continue as a member of the Royal Bank staff.

Mr. and Mrs. Evans Benson have returned from a motor and boat trip to Manitoulin Island and other points in Northern Ontario. Accompanied by Mrs. Ken Reesor they spent the weekend in Hamilton with Mrs. Mary Gore and son, John.

Mr. and Mrs. Jack Hill with Steven and Janice enjoyed a weekend of camping at Sibbald's Point, Sutton.

Mr. and Mrs. George Smith and family were dinner and supper guests at the home of Mr. and Mrs. Ivan Taylor on Sunday.

Mrs. G. A. Carter is home after a summer at the family cottage on Pleasant Point, Sturgeon Lake. Ellen Carter had returned to her studies after spending the summer at Camp Kitchikewana, Beausoleil Island, Georgian Bay.

Claremont Brownies are in need of a Brown Owl for the coming season which will begin shortly. Anyone who is interested in this worthwhile activity is asked to get in touch with

cently. Dave was one of many cadets from Ontario who went on similar tours while attending Air Cadet Summer Camp at C.F.B. Trenton.

Reeve Recommends School Board Levy Own Taxes

PICKERING—Reeve C. W. Laycox of Pickering Township has recommended that school boards levy their own taxes.

Speaking at a meeting of Council concerning a proposed \$2,953,228 addition to the Dunbarton High School, Mr. Laycox said that he had long been an advocate of school trustees being responsible for their own expenditures on education as suggested in the Smith Report.

Council refused to endorse the Board's request.

In a letter to council, the Board said it proposed to build the 32-classroom addition for completion by September 1969.

A government vocational grant would pay for \$1,229,462 of the estimated cost leaving \$1,723,766 to be debentured by the three participating municipalities, Pickering Township, Ajax and Pickering Village. Township ratepayers would pay for about 66 per cent of the debentured amount.

Reeve Clifford Laycox said he would like further clarification from the high

school board in its need estimates.

Coun. John Williams said he did not doubt the need for the new addition but said the board had not included the addition in its five-year capital forecast.

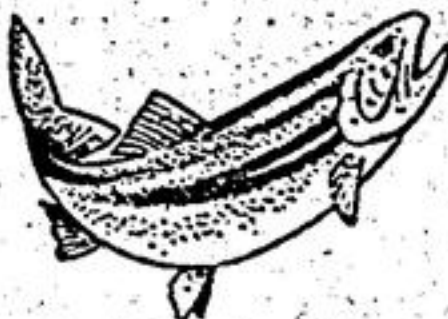

Coun. Ronald Chatten referred the matter back to the finance committee.

Reeve Laycox said the letter from the board was beautiful but contained

nothing. The proposed addition would increase the student accommodation at the school from 1105 to 1875 with the addition costing an estimated \$3,835 per student place.

Council agreed that the high school board should furnish it with more information before a resolution approving the addition is passed.
